THURSTON COUNTY FARM BUREAU NEWS

Everett T. Winter, Agent

Planning Another Big Year.

Arrangements have been made with a church society in Walthill to serve dinner to the farm bureau board, 4H club leaders of 1929and prospective leaders for 1930 and the county 4H club promotion committee when they meet with L. 1 Frisbie, state club leader, Febr., 11 to complete plans for the 1930 program.

A crowd of about fifty has been invited. While many routine business affairs will be disposed of by the board at the meeting the real object of the meeting will be to lay plans to maintain the high standard of efficiency in club work established in the county last year.

In 1929 Thurston county increased it's club enrollment 300 percent and at the same time increased its percent of finish up.

How About Your Seed Corn?

That Nebraska corn is grading lower on the market than usual is a statement made by P. H. Stewart, extension agronomist of the colledge of agriculture in a recent letter to the county agent. "It is likely," he says, "that good seed corn will be scarce this spring" Several of the cornbelt states are concerned over their seed supply and inquiries are beginning to come in regarding scource of seed.

Farmers in Thurston county are urged to investigate their seed corn supply. Anyone wishing corn tested may have it tested at the Farm Bureau. One hundred kernels of corn from as many ears as possible will give a fair test

It is hoped that samples of corn from many parts of the county will be sent in at once, so the results of the tests can be announced on "Crops Day" in Walthill, Feb. 20.

March Of The Holidays.

"The March of the Holidays" is the title of the pageant being planned by Superintendent Riedler and the teachers of the county for the Thurston County Fair.

Last year was the first year in a number of years that the school pageant was omitted from the county fair program. Hundreds of people missed this annual spectacle

At the 1930 fair each school will decorate a float to represent s me holiday. The pagaent will be given on Children's Day, Friday of the fair. The dates of the fair this year are August 27- 28-29 30.

Religious Talks.

(By A Bible Student.)

Divine prophecy tells us that it would be announced to the people that a new world had begun on earth, at which times there would still be nations, or national groups of people living on this earth. These are some of the used "The Lord reigneth, he is clothed with magesty, the Lord is clothed with strength where with he hath girded himself:" "the world is also established that it cannot be moved;" "Say among the heathen(nations)that the Lord reigneth the world shall also be established that it shall not be moved"(Psalm 93:1 96;10. Scripture declare that the old world as existing now would come to an end. Whereas the psalms just quoted frankly state that the new world is to be fixed so firmly that "it cannot be moved" and "it shall not be moved," also Sacred Scripture calls it the "world without end."

Many people think the word "world" means the earth, but Jesus' touching word's were: "God so loved the world that he gave his only begotten son that whosoever believeth on him should not perish but have everlasting life." Why? Because the "world" had sin and John the Baptist said "Behold the Lamb of God that taketh away the sin of the world. It would be foolish to think that the inanimate earth as having sin, and that God so loved the plynet that he sent his son to die for it's sin.

It is plain and reasonable that the word "world" means the people, "order" or arrangement, or the word "world" means the people existing on the earth in an arranged order or way, or in another sense, means an age or period of time (eon) from Noah's day up to the establishing of Christ's Kingdom.

"This present evil world" Jesus pointed out that Satan is "the prince of this world" and Paul termed Satan "the god(that is, the mighty one)of this world," Satan being evil and unrestrained in his evil course, the world which he controls would, logically, be an evil world. Satan being an invisible being. Bringing the foregoing facts together in an endeavor to here give an all-inclusive definition of the Bible word "world" we now preceive it to mean the arrangement of the peoples of earth under governments. All these governments being subject to the subervision of a great invisible, spiritual suzeran, or lord superior. Understanding the matter thus, let us proceed with the argument. How did the age and order of the human society become evil? How did satan become its overlord? God is all-powerful and Proverbs 15:3 says: "The eyes of the Lord are in every place, beholding the evil and the good." Consequently the condition of "this present evil world" must exist only because God has not yet restrained evil. Surely they did not proceed direct from God, because James says "that every good and perfect gift comes down from above, and is from the Father of lights," and then asks: "Doth a fountain send forth at the same place, sweet water and bitter?" No, neither is the supreme One the author of evil, that is, sin. Such evil proceeds from some other source. That source is invisable to human sight; it is Satan. Who is Satan? Originally the spirit being whom God's word now calls Satan was a glorious and beautiful son of Jehovah, possessing the rank of Cherub. This was long before ever the earth was prepared for the habitation of man. His name was then Lucifer, which means "shining one" or light bearer. The prophet Ezekiel informs us that Lucifer was "full of wisdom and perfect in his ways from the day he was created" until iniquity was found in him. In the beginning of our planet earth was without form and void; for how long a time we do not know; the Bible merely says: "In the beginning the earth was." About 48,000 years ago, according to Bible chronology, God began to prepare conditions on the earth to make it fit for a race of human creatures to inhabit. Isa 45:18 asserts "He created it not in vain, He formed it to be inhabited." Toward the close of the six days of preparitory work covering a period of time, God created man, creating him upright, very good, a perfect work, in Gods image and likeness." God had previously planted a perfect garden, or spot in the region of earth, called Eden, and there put the perfect man, commissioning him and his lovely companion Eve to be "fruitful and multiply and fill the earth and subdue it, and have dominion over all other earthly creatures"

(To be Continued.)

Labor-Saving Equipment Is Coming to the Farm Home

Labor-saving and health-conserving equipment found in the modern city residence is gradually coming into use in the farm home, where it is most needed, and is revolutionizing the daily tasks of the farm housewife, the Sears-Roebuck Agricultural Foundation observes.

With the advent of electric power secured either from individual power plants, central stations, or transmission lines, the farm wife has been able to use the electricity driven washing machine, sadiron, vacuum cleaner, churn, cream separator, and other energy-saving devices. Hand sweepers, washing machines, separators, sewing machines, canners, bread mixers and

the like have relieved the drudgery on farms where electric power in not available.

In the farm kitchen, the kerosene or gasoline stove or electric range have done away with much of the discomfort of working over a hot coal range. Fireless cookers give many a farm-wife an occasional afternoon off or help her get to church on Sunday mornings. Acetylene or gasoline mantle lamps or electric lights are replacing the kerosene lamp, giving better light and easing the labor of cleaning lamp chimneys.

In a survey of forty thousand farm homes in forty-six states, conducted by the General Federation of Women's clubs, it was found that 71.8 per cent had sewing machines; 51.5 per cent, food choppers; 50.1 per cent, refrigeration of some kind; 44.6 per cent, water piped to the house; 40.3 per cent, washing machines; 30.5 per cent, kerosene or gasoline stoves; 24.6 per cent, electric or gas sadirons, and 17.3 per cent, vacuum cleaners. While this group of homes may not have been entirely typical, the survey does indicate that hundreds of thousands of farm homes are becoming equipped with labor-saving devices, the Foundation adds.

HOW TO PRODUCE HATCHABLE EGGS

Poor hatches make costly chicks and are an important factor in cutting down poultry profits, the Sears-Roebuck Agricultural Foundation states. Forty out of every hundred eggs incubated each year fail to produce live chicks, according to the United States Department of Agriculture. About half of the loss is due to low fertility and half to weak germs which do not survive the incubation period.

To obtain good hatches the flock must be bred, fed and managed for that purpose. Only strong, healthy birds produce good hatching eggs with strong germs which will develop into vigorous chicks. Some hens lay eggs with a higher degree of hatchability than other hens apparently equally

vigorous. This characteristic is hereditary and may be developed in the flock by trap nesting and selection of hens whose eggs produce a high percentage of live chicks.

Tests, particularly at the Ohio Experiment Station, have shown that to produce eggs of high hatchability, the hens must receive two things: First, direct sunshine or its equivalent in cod liver oil; second, green feed, or a substitute in the form of alfalfa, clover or soybean hay. Skimmilk and buttermilk also will partly substitute for green feed.

After the grass season starts, hens may receive both sunshine and green feed direct from the range, but in the late winter and early spring, when most of the eggs used for hatching are produced, they must be furnished by the poultryman. Besides these sources of vitamines, the ration must contain an ample supply of protein, the Foundation adds.

GEORGE A. BITTRICH

Conductor Lyons Concert Band. Music Instructor In Public Schools. Director Methodist Church Choir. RED PEPPER HEAT STOPS BACKACHE

The heat of red peppers takes the "ouch" from a sore, lame back. It can not hurt you, and it certainly ends the torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub, and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers.

Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.

THURSTON COUNTY FARM BUREAU NEWS

Everett T. Winter, Agent.

Farm Bureau Calender Full.

Time out for meals is about all there is left of the Farm Bureau calender for next week.

Monday: With N. W. Gaines of the Nebraska college of agriculture will be at Pender for the Chamber of Commerce father and son banquet.

Tuesday; Mr. Gaines will be at the Winnebago High School at one o'clock. At 8 p m. Mr. Gaines will be at the Schroeder School in Perry Precint. The moving picture "The House That Jack Built" will be shown at this meeting.

Wednesday; At ten in the morning Mr. Gaines will talk to the Rosalie High school. At six he will talk to the Walthill Commercial Club at their monthly dinner. Following this he will meet with a group of Farm Bureau and community leaders in the Farm Bureau office.

Thursday: This will be "Crops Day". P. H. Stewart of the college of agriculture, agronomy department, will be a headliner at the meeting in the American Legion community building. This will be for the annual "Crops Day" which was formerly called "Seed Exchange Day". Mr. Gaines will give short talk at this meeting. In the evening Mr. Gaines will talk at Macy at the High School Auditorium and the movie "The House That Jack built" will again be shown.

Friday: At one o'clock Mr. Gaines will talk at the Walthill High School. At three o'clock Mr. Gaines and Mr. Winter will attend a debate at the Rosalie Hi At eight o'clock p,m. Mr. Gaines will address the Parks community club at the Parks school five miles east of Rosalie and the movie' The House That Jack Built" will again be shown.

Saturday: This is George Washington's birthday and will be celebrated by forty or more Thurston county farmers who will meet in Walthill with L. R. Snipes of the rural economics department of the agricultural college to start farm account books. These farmers have taken an inventory of their respective businesses and have kept account of their receipts and expenditures since January 1st. Farm account books will be given to each and an accurate record of the farm business started.

Undoubtedly the week of Feb. 17 to the 22 will be listed as one of the most important of the year for the Farm Bureau organization.

How about Hybrid Corn?

The question of the advisability of Thurston county farmers paying fancy prices for hybrid seed corn for this coming year will probably be settled at the annual "Crops Day" meeting to be held in the American Legion building Thursday February 20.

The price of this seed is around the $15 mark at this time. If it pays farmers are going to buy. If it is still in the experimenting before trying it themselves. The result of several years of experiment at the state experiment station will be discussed by P. H. tewart at the meeting Feb., 20

At this same meeting the county agent is going to announce the result of the germination test of all the sample of local seed corn sent into him this winter. It will be an interesting meeting. The speaking will start at one o'clock but exhibits of local grown seed for sale will be on display all morning.

Orin Amick has a new ad in The Rip-Saw, to which your attention is called.

Religious Talks.

(By A Bible Student)

Luke tells us that Adam was then a "son of God." Living was of course, a new experience for man, who had never existed before. Just how Adam would live whether in obedience to his Creator or in rebellion against him, was a point to be determined. God would naturally desire him to go in the right way God made man not to die, but to live forever and ever on this planet earth. To the end that Adam might be aided in choosing the right way and live forever. God placed Lucifer, the beautiful and wise one, to cover and safe guard Adam and to shine upon mans pathway the early years of hislife. Addressing Lucifer, God speaks through Ezekial, the Prophet, saying; Thou hast been in the garden of God; thou art the anointed cherib that covereth, and I have set the so: thou wast upon the holy mountain of God. Thou was perfect in thy ways from the day thou wast created till iniquity was found in thee. What was the iniquity found in him. Jehovah God detatching in his(Lucifer) heart saying, "I will be like the most high"(a god) Then and there iniquity was found in him as recorded in Ezekiel. Then he lost his perfection and God named him Satan, the Devil. Dragon is one of the names that God gave to Satan. Then and there satan became Jehovah's greatest enemy. He was covetous and desired to exalt and have a throne above all others of creation that they might bow down before him and worship him even as creature would bow before Jehovah. He set about to organize both among spirit beings, and human pair that were so nicely situated in the garden of Eden. The dragon saw this pair(who were to fill the earth with human beings, who would worship God and be a happy race of people and whose surroundings were such as to give them everlasting life on earth.) A future for himself if he could find a plan to cause the first pair to disobey God and take the penalty rather than to lose his beautiful companion who was to be another of the human race. The garden or home in which they were placed, was provided with everything to make and keep them in perfect health and perfect happiness and live for ever if obedient. The Genisis record is, "Let them have dominion over all the earth. God blessed them and said unto them, Be fruitful and multiply and fill the earth and subdue it", they're telling us the earth was not a pleasant place until subdued.

In this garden where they were placed were two trees, they were not to touch, all the rest were for beauty and food. The man was to take care of the garden, dress it, and keep it, telling him "of every tree in the garden, thou mayest freely eat." "But of the tree of knowledge, of good and evil, thou shalt not eat, for in the day thou eatest thereof thou shall surely die." (Remember he said DIE). Here is where Satan's scheme worked, he used the serpent, "which was a very subtile creature.

Appointment of G. M. Haight as Police Judge by the chairman, was approved by the board.

Motion by Reed, seconded by Shumway, that H Shoop be allowed at $3 50 per month for labor. Carried.

Board adjourned.

Wm. Coolidge,
Village Clerk.

Docked Lambs Avoid Docked Prices

Failure to dock lambs and to desex ram lambs results in discounts of $1 to $5 in price, yet these operations are neglected every year with hundreds of thousands of lambs, especially in the Middle West, the Sears-Roebuck Agricultural Foundation points out.

A lamb's tail is a symbol of neglect and warns the buyer of a probable lack of finish. It serves no useful purpose and is objectionable in every way.

Ram lambs which are altered early will gain faster, use less feed, finish more readily and handle more easily than if left entire. Ram lambs tend

to be heavier in the neck and shoulder than wether lambs, are lighter in the hind quarters, not as well finished in the carcass and coarser-meated. Lambs which have been docked and castrated have an outlet as feeders if sold before they are finished.

Both operations may be done at the same time when the lambs are ten to fourteen days old. Using hot pinchers appears to be the best method of docking. A bench with an upright containing a hole through which the lamb's tail is drawn is used. The job may be done also with a sharp knife.

THURSTON COUNTY FARM BUREAU NEWS

Everett T. Winter, Agent.

Apparently not willing to ride through 1930 on the record of achievement made in 1929, 4H club and community leader of Thurston county met with the Thurston co county Farm Bureau board last Tuesday and made plans for a program even more ambitious the coming year.

After a dinner prepared bythe Presbyterian ladies in the church basement, the group assembled at one o'clock to talk over club work in the Farm Bureau office.

L. I. Frisbie, state extension leader of Lincoln started the after noon off with an inspiring talk on 4H club work in Nebraska. He told how club work in Nebraska was growing and how it compared with other states. He gave a summary of the club goals planned and the club accomplishments of Thurston county since the year 1921, and by the use of the graf he compared this county with others in the state. He stated that Thurston County's enrollment for 1929 increased 300 percent and made a 87 and one half finish up.

After Mr. Frisbie's talk, County Agent Winter introduced the leaders of last years clubs and each responded with a three minute talk on some phase of club work.

An open discussion followed the speeches and a topic of interest that was the matter of holding a health contest during the 1930 fair. It was stated that while one of the H's in the elover leaf stood for health that it should not be overlooked.

Mr. and Mrs. J. J. Elkin of Rosalie as delegates from Thurston county reported their visit to the Nebraska Farm Bureau Federation. Both gave very comprehensive reports.

Business Farmers to Meet.

Next Saturday is the day set for the farm account school for about for about forty one farmes of Thurston county under the direction of Mr. L. H. Snipes of the Nebraska college of agriculture.

These farmers meet with Mr. Snipesin Walthill at 1;30 in the afternoon to start their account books. The farmers will bring with them inventories of the farm business of January 1s together with a record of receipts and expenditures of the farm since the date.

Religious Talks.

(By A Bible Student.)

Here is where Satan's scheme worked, he used the serpent, "which was a very subtile creature," to try the woman, by saying, "ye shall not surely die." She believed Satan, rather than God and partook thereof and gave to Adam and did eat. She was deceived, but he was not. Then the punishment was inflicted and they were cast out, into the unfinished earth to toil and labor all the days of their life, amidst difficulties of all kinds, and till the ground and earn their living by sweat of brow. And now they know good from evil and "lest Adam put forth his hand, take of the tree of life, eat, and live forever, a provision was made to keep them from returning into the garded of Eden." Then it was children were born, sorrow began, envy, murder, and dying. Man's right to life was taken from him. Although he had life rights while he lived, his rights to life were gone, and from then to now man has been grouping along under pain, sickness, sorrow, death.

Away from God and led by the hard taskmaster, Satan. The prophet says: "there is none righteous, no not one. They are born in sin and shapen in iniquity. In sin did my mother concieve me. They have all gone astray."

A child is born, grows to manhood, endures suffering, hardship, lingers and dies. Many die early; others attain the age of three scor and ten years, or more, then die. "We spend our years as a tale that is told." The tragedy in Eden has never known a parable. All other crimes and tragedies may be traced to the one committed there That terrible crime blighted the hopes of men and angels, filled the earth with woe and caused the very heavens to weep; it started the wheels of evil, and has caused them to roll on down through the corridors of the ages, spreading war, murder, disease, pestilence, and famine, thus crushing out the life blood of countless millions. So powerful, deceptive and cunning has been that arch criminal, that the sensibilities of mankind have been stunned and benumned and the people for centuries have been kept in ignorance of the cause and its far reaching effects. But now it seems certain that the time has come for God to pull back the curtain and let man have a better view and understanding of the terrible criminal and of his crime The will of God is his law. When that will is expressed toward man it is the law of God by which man is to be governed. A refusal to obey God's law makes the creature a disloyal subject. Without law there could be no way of testing man's loyality, There must be a rule of action commanding that which is right; prohibiting that which is wrong. God provided a law for man. It was in connection with the food of Adam, and God expressed his will or commandment, merely from the food, but the evil results would be from the act of disobedience of God's law. The loss of life to man meant everything, the loss of everything. God could not permit an unlawful creature to possess eternal life. In the day thou eatest thereof thou shall surely die, Gen. 2:15:17.

It was the solemn duty of Lucifer, one of "the morning stars" who witnessed the creation of man and his perfect home, and being appointed to the position of trust and confidence as man's overlord. To betray that trust in order that he might overturn God's appointed means ofgovernment in Eden would be an act of treason. The perpetuation of the crime of treason under such conditions would make him the blackest of all animals. Clothed with an honorable position as overlord and protector of a domain, the betrayal of that trust is too terrible for human phase. The beauty, the purity and innocence of the perfect man and woman, in an environment far more beautiful than any human eye has ever seen since, makes more pronounced the depravity of the heart that could commit such a terrible crime. Lucifer was impressed with his own beauty and forgot he owed an obligation to his Creator. Selfishness entered his heart, concerning this evil purpose the prophet records of Lucifer, "For thou hast said in thine heart, I will ascend into heaven, I will exalt my throne above the stars of God; I will also sit up on the mount of the congregation in the sides of the worth; I will ascend above the heights of the clouds, I will be like the Most High." (Isa. 14: 13, 14) Without doubt he expected to take the man to the tree of life in Eden, and and direct him to eat and live forever and not die. As he said to Eve "thou shalt not die." The scriptures show that Lucifer planned a rebellion.

(To be Continued.)

Village Board Proceedings.

Rosalie. Nebraska, February 5, 1930.

The board of truestees of the village of Rosalie met at the office of the Rosalie State Bank and adjourned to Reeds hardware store on Wednesday, February 5th.

WM. COOLIDGE,
Village Clerk.

Rosalie, Nebraska, February 5, 1930.

The board of trustees of the village of Rosalie, met persuant to adjournment at Reed's hardware store.

Present Thos. Hansen, C. O. Shumway, W. W. Reed, L. V. Morgan and Wm. Coolidge.

The minutes of the last meeting were read and approved with the following correction: The matter of operating card tables in public places was discussed and on motion by Shumway and seconed by Reed that we have the county attorney draw ordinance governing public card tables and playing. Carried.

WM. COOLIDGE,
Village Clerk.

Competitive Examination.

The United States Coast Guard will hold a competitive examination for appointment of cadets on June 18th, 19th, 20th, 1930. An exceptional opportunity is offered young men of the right caliber between 18 and 22 years of age, to complete their education at government expense and to become commissioned officers in the United States Coast Guard, one of the military services of the United States afloat and ashore. Cadets are trained and educated at the coast guard academy, New London, Conn., and each summer are taken on an extended practice cruise. Cadets receive the same pay and allowances as midshipmen in the navy, $780 pdr annum, and quarters, subsistence and medical attendance.

The examination for cadets precedes is strictly competitive and is open to young men who possess the qualifications with respect to age, education and character. Examinations will be held at such places throughout the United States where it is found practicable to have examining boards, and the number of candidates warrant.

For further particulars write to the commandant, U. S. Coast Guard, Washington, D. C., or Edgar Howard, House of Representatives, Washington, D. C.

Have you happened to tune in on this Radio Announcement? To introduce our big RED GOLD sugar saver strawberry, we will send postpaid at planting time this spring, 24 big, fat Red Gold plants with Gator-Hide Mulch Paper Squares for 12 of the plants and will include 12 Superfine Rainbow Gladoles Bulbs if you will write at once and send a dollar to help cover the propagating and mailing expense. RED PEPPER HEAT STOPS BACKACHE

The heat of red peppers takes the "ouch" from a sore, lame back. It can not hurt you, and it certainly ends the torture at once.

When you are suffering so you can hardly get around, just try Red Pepper Rub, and you will have the quickest relief known. Nothing has such concentrated, penetrating heat as red peppers.

Just as soon as you apply Red Pepper Rub you will feel the tingling heat. In three minutes it warms the sore spot through and through. Pain and soreness are gone.

Ask any druggist for a jar of Rowles Red Pepper Rub. Be sure to get the genuine, with the name Rowles on each package.

THURSTON COUNTY FARM BUREAU NEWS

Everett T. Winter, Agent.

Not Many People

About a thousand people attended some kind of Farm Bureau meeting in Thurston County during last week.

The community meetings were held daily by the County Agent and N. W. Gaines of the college of agriculture. Thursday was "Crops Day" and Saturday was Farm Account school,

Mr. Gaines was enthusiastically received wherever he went. He was popular with all of his audiances, whether composed of high school students, farmers, or 4H club members. All of the communities invited him to make a return visit.

"There are good and there are poor varieties of hybrid corn," said P. H. Stewart at the "Crops meeting." Mr. Stewart explained how this kind of corn is produced and warned local farmers that the mere fact that seed offered for sale was hybrid was not proof that it would yield better than common varieties. He said that hybrid seed, like crossbred hogs, are good producers but not worth much as reproducers.

L. R. Snipes of the rural economics department of the college met with a large bunch of farmers on Saturday to assist them in starting farm account books.

New Club Elects

New officers of the Parks Community Baby Beef Club, elected Friday evening, include Burr Ross president; Charles Copple, Vice-president; Charles Stanek, secretary; and Chester Young, news reporter.

Chad Copple is leader of the club. There are eight members.

Gaines Coming Back

N. W. Gaines of the college of agriculture has the unique distinction of being a speaker, who has won for himself an encore. Following Mr. Gaines' address at Pender last Monday evening, officers of the Pender Chamber of Commerce asked him to return so that a farmer-business man's gathering could hear him. He will return during the first week in March for the date at Pender.

Religious Talks.

(By A Bible Student.)

The scriptures show that Lucifer planned rebellion, concerning this God, said: "Thine heart was lifted up because of thy beauty, thou hast corrupted thy wisdom by reason of thy brightness," he resorted to fraud and deception.

When Jesus was on the earth he stated that Lucifer "is a liar and the father of it" thereby showing that Lucifer gave utterance to the first lie that was ever told.

The lie is, "There is no death," and the emissaries of the evil one has been telling that lie to the people ever since. Adam was sentenced to death, this sentence was forced against him by compelling him to eat of the fruits of the unfinished part of the earth, which gradually resulted in his death. Within that period of time of 930 years his children were brought forth. While his children were not formerly sentenced to death they were all born sinners. The imperfect Adam, undergoing the death sentence could not beget perfect children. Paul says in Romans 5: 12 Wherefore, as by one man sin entered into the world, and death by sin passed upon all men, for that all have sinned. Thus is sin the terrible and far reaching effects of this rebellion. It has brought all the suffering and sorrow, sickness and death, wars, famines and pestilences to which humankind has been heirs to for the past 6000 years. The very first son of Adam's was a murderer, and Lucifer the devil induced him to commit the murder. Therefore Lucifer was a party to the crime and is guilty of every murder that has ever been commited on this earth. Since this rebellion his name was changed from Lucifer, and was known by four names, to-wit: Satan, which means adversary or opponent; Devil, which means slanderer; Serpent, which means deceiver; Dragon, which means devourer. He has opposed God ever since the time in Eden. He has slandered God's holy name and brought reproach upon him and all his true followers. He uses every possible means to deceive the people, turn their minds away from God. He sought to devour and destroy everyone that has faithfully tried to obey God's holy will. This arch-ehemy has had many emissaries on earth who have paraded themselves in the name and as the representatives of the God. Among these were the clergy of Jesus' time, and to them and of them He said: "Ye are of your father the devil and the lusts of your father ye will do. He waa a murderer from the beginning and abode not in the truth, because there is no truth in him, when he speaketh a lie he speaketh of his own, for he is a liar and the father of it." John 8: 44. The rebellion did not stop with that of Lucifer and man.

Religious Talks.

(By A Bible Student.)

In heaven there was a host of angels, or spirit beings, an order of creatures a litle lighter than man, or created on a higher plane many of which rebelled after the fall of Lucifer, who was on the same plane being. The children of Adam increased as time went on. The women were beautiful in form and fair to look upon. These spirit beings saw that children were born. It was not the will of God that they should leave their estate on the spirit plane and mingle with human beings. But many of these angels, misled and seduced by Satan, joined the rebellion against God; in Genesis 6: 2, 4. 5 we read; "And it came to pass, that the sons of God (Angelic sons) saw the daughters of men were fair; and they took them wives of all they chose. There were gaints on the earth in those days; and also after that, when the sons of God came in unto the daughters of men, and they bear children to them, the same became mighty men, which were of old men of renown. And God saw that the wickedness of man was great in the earth, and that every imagination of of the thot's of his heart was only evil continually. The rebellious ones, who kept not their first estate were imprisoned. (read 6th verse of Jude and 2 Pet 2: 4) being restrained they were prevented from mingling with men physically, but were joined with Satan in his rebellion and for centuries and for centries these have been serving with him and following his wicked course of reproaching God and oppressing men. Scriptures declare that in Gods due time all the wicked angels, who joined in the rebellion against shall be destroyed. What terrible havoc this rebellion brought. Many of the pure and holy angels of heaven, turned to wickedness. and find themselves in prison to be destroyed finally. Adam, once pure and holy, perfect, strong an vigorous, was driven from the perfect Eden. His offsprings have since been compelled to earn his bread in the sweat of their face, to suffer disease, sickness, and eventually in sorrow they go down to the grave.

All these centuries man has been in bondage to sin, death, groaning and travailing under his burdan, desiring, begging and praying that some time, in some way, he might be delivered. Early, God began the oyeration of his marvelous plan for the deliverance of man and for his restoration. Exercising his power in exact harmony with justice, wisdom and love, God has been working out his great plan to the end. And the people are beginning to get a clearer vision of His great plan of salvation and to learn how and when he will bring about man's complete deliverance. Sixteen hundred years after the tragedy in Eden found the race in a deplorable condition. The peoples of earth dwell to-gether in families or tribes of the superior power that controlled them was Satan and a host of evil angels operating with and under his direction. This was the invisible part of that "word". The people who walked above the earth in human form constituted the visible part of the world, this part was exceedingly corrupt and the invisible part of it was the chief cause for the corruption. Satan impresed by his own greatness, believed he could defeat God, devised a scheme of his own. He saw the human race dying (As God had said) "Thou shalt surely die".

Religious Talks.

(By A Bible Student.)

And by inducing the angels to materialize and take wives of the son's of men a superior race would result from that union and make his kingdom more powerful; thus debauching the angels and women. Producing a race of giants. So strong was satans influence that all the people came under his control except Noah and the members of his household. It is written concerning Noah, that he was perfect in his generation, not contaminated with these materialized angels. The record is, "Noah was just and walked with God." The wickedness was so great that God destroyed all these giants with the debouched human family in the great deluge he brought upon the earth, only Noah and his household were saved. It was the visible part of the evil 'world' that was destroyed, or the organization of the adversary. After the flood God began anew the work of populating the earth, (which He created for man,) from Noah and his family; Gen. 9:1.7. For 350 years after the flood, Noah lived on the earth and his children and grandchildren increased. After satan saw all the wicked ones of earth destroyed and the angels that lert their first estate placed in prison, should have shown him he could not successfully fight against God. Arrogantly he persued his wicked course. But for some time under Noah's teaching his children loved and served God, satan made little progress in seducing mankind, People were more v gorous and strong in those days, because they had not been weakened by the long reign of sin as tke people of today. Adam lived almost 1000 years.

Noah, after climatic changes brought about by the flood and the ice age, and germs that were unknown before Noah's day, reduced the length of life rapidly, and Noah lived 950 years. From that time man's allotted time was three score and ten, meaniug the full average length of human life. But today we find the average length have been about 34 years. Through study, and science, and sanitation, we see an increase of around 40 years. Men have made progress in many ways, but man can never bring everlasting life on eaath, no difference what this may be and progress in the lines of sickness and disease. It never can be until God himself sets up his own plans and ways for so doing, which the scriptures emphatically say: "There shall be no more sickness, sorrow, tears, ordying." Under a government right here on earth which God will establish, which Psalm 9 1 says: "can never be moved." Satan has been an evil god over mankind for around 6000 years. But 1900 years will be devoted to overthrew satan and all his evil works, governments, plans, schemes. And during that time all mankind will be taught right, truth, and justice under a different ruler, one who will ru e in justice, equity and love; who known how to deal with the poor, weak, deluded and deceived world of mankind. Both living and dead shall come under this righteous rule. Scriptures say: "All nations shall flow into this mountain" (or government) which shall be established on the top of the mountains, (or goverments) which shall be an everlasting one, and shall be so firmly fixed that it can not be moved, all peoples, nations tribes and kindreds, shall be taught in this goverement. It shall be so that a fool shall not err therein. Small and great, rich and poor, shall learn righteousness therein.

Religious Talks.

(By A Bible Student.)

Returning to Satans schemes, because of covetousness, he set about to complete his organization both among the spirit and human beings. On earth he organized men into religious systems. Than he organized the commerical power and supported it with a military arrangement and then a political organization and satured the entire organization with a religion. The first great world power was Babylon, which was founded by Nimrod a great-grandson of Noah. The beginning of his kingdom was Babel, Gen. 10:10 Nimrod means "rebellious in him that rules". Babel means "confused". Nimrod was the visible head of Satan's organization, the first king of that wicked city. A great hunter of wild beasts and acquired wealth by seizure, and exalted him self before the people as greater than Jehovah God, he established devil worship and from then on they worshipped images and everthing, but the true God. The Prophet Isaiah definately identifies Lucifer, the devil, as ruler of Babylon and through Jeremiah God supports the identification thus: How art thou fallen from heaven, O Lucifer, son of the morning. How art thou cut down to the ground, which did weaken the nations, Isa. 14:4, 12 13. This world power combined and ruled the people and made their burdens grevious to be borne.

When the due time came for God to begin to organize a people for His name. He called a man living in the very birth-place of Satans organizations; called Abraham and brought him away from the country controlled by Satan through his agencies. God said to the serpent in the Eden tradgety: "The seed of the woman shall bruise thy head." (The head is the ruling power of any organization.) God was choosing Abraham through whom this seed was to come. The scriptural account is thus: "In thee and thy seed shall all the nations of the earth be blessed." He was called to the land of Canaan. He was told to look from where he dwelt, northward, sohthward, eastward and westward. "For all the land thou seest I will give to thee, and to thy seed forever. And I will make thy seed as the dust of the earth, which can not be numbered." He was not promised to go to heaven; but the land he saw was for him and his seed FOREVER. This was God's first act in dealing with man since the fall in Eden; this was the first part of his operation for the uplift of humanity, which began to function for the for the production of the seed that was to bless all the families of the earth.

Paul says: "For as through the disobedience of one man, the mass of mankind were constituted sinners, so also through the obedience of One the mass of mankind will be constituted righteous and in Rom 8:20, He says: "For the creation fell into subjection to failure and unreality." Yet there was always a hope that at last the creation itself would also be set free from the thraldom of decay, so as to enjoy the liberty that will attend the glory of the children of God. For 9th verse of same chapter says: "For all creation, gazing earnestly as with outstreted necks, is waiting and longing to see the manifestation of the sons of God." (Who are the sons of God will be discussed later.) The 22nd verse says: "For WE know (who are the we's) that the whole creation is groaning together in the pains of childbirth until this hour.

(By A Bible Student.)

In Ephesians 1:8, we read, so abundant was God's grace, the grace which, He, the possessor of all wisdom and understanding, lavished upon us, when he made known unto us the secret of his will and this is in harmony with God's merciful purpose for the government of the "world", when the times are ripe for it. The purpose, which He has cherished in his own mind, of restoring the whole creation to find its one Head in Christ. Yes, things in heaven and things on earth to find their one Head in him. Thus Paul speaks of the seed that Satan would love to destroy. This seed that shall bless all the families of the earth as promised to Abraham. Paul further tells us who this seed is, he says; If ye be christs, then are ye Abraham's seed, and heirs according to the promise. In thee(Abraham) and thy seed shall all the nations of the earth be blessed. Oh what a glorious prospect for the true sons of God. How different from the teaching of creeds, teachers say, if you don't join some church you will spend eternity in eternal torment. (one of Satan's lies) nowhere inside the Bible is eternal torment taught. Eternal life, eternal death and eternal destruction is taught in the Bible but nowhere is eternal torment taught, except in Revelations concerning the beast and false prophet, whose smoke of their torment is symbolic, as the whole book of Revelations is a book of symbols. As is also many of Jesus parables and dark sayings. Rev. tells us that Satan himself is to be destroyed cast into the lake of fire from which there is no recovery. And other scriptures tell us Satan is to be destroyed after mankind, is fully tried and tested, taught under the new order, Christ's government which continues 1000 years in which all mankind shall be able to learn righteousness and live a life on earth forever, if they then obey the reigning power, which shall be judgement, in righteousness a contrast to the judgement taught by many well intentioned teachers, who are greatly mis-representing God's great and good plan because we are all blinded by the god of this world. Scriptures well say "the blind are leading the blind", surely nothing can be a greater crime then to misrepresent our great and loving God, teaching him to be a heartless beast who would torture a multitude of untaught creatures, as the fore-going shows. God's words to his children are, "Arise, shine, for thy light is come to the glory of the Lord is risen upon thee". (meaning the seed Christ and his body). The spirit of the Lord is upon me, Christ, because the Lord hath annointed one, Christ and his body members, to preach good tidings to the meek, he hath sent to bind up the broken hearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound, to proclaim the acceptable year of the Lord, and the day of vengence of our Lord, to comfort all that mourn".

When Jesus was born the angels sang, "peace on earth, good will to-ward men". Where is the evidence of any peace on earth since that song, glory to God in the highest, peace on earth good will to-ward man", which is a joy for all the people. Has God ever since been given the glory? Has peace ever been on the since the fall of man? Was that an empty dream? Has man been preaching that comforting message to the people since that song was sung.

Saturday and Sunday April 12-13

Religious Talks.

(By A Bible Student.)

We all know too well the nature of the message that has been preached since the Apostles of Jesus fell asleep, soon after or while they still lived, Satan was as busy as ever, trying to keep the people from the truth, and later set about forming creeds and setting up his organization and causing the real church to be driven in to a wilderness condition causing anyone who dared to defend the gospel message as given by the Apostles and disciples of Jesus to be prisoned, persecuted and killed. Thus gaining such a stronghold over the world that the scriptures well said, "Darkness covers the earth and gross darkness the people". And we see, to-day, creeds of all imaginable forms, and each one gathering a little circle around each individual creed, and teaching, (ours is the only right one) denouncing all others, and even hating people of another than their own, and teaching them to look no further for the truth than they are pleased to give, making people believe no one but the leaders are qualified to know or nnderstand the scriptures, except the leaders of each creed and organizations. Thus blinding the people and keeping them from studying for themselves and learning the glorious good message in God's word the bible. That shall be, to "all the people". The very thing the Apostle Paul forbid in the early church, so called christendom. He forbid creeds, sects and different systems, thus showing the hold Satan has upon the people since that day. Good, honest, sincere, peace-loving and true christains are found in every one of them, because they are blinded to the thing unwittingly because it is popular and their fathers and granbfathers believed it and it must be true. Thinking only those, who, belong to their churches and in good standing, will go to heaven and all the rest go to hell and be tormented forever, whereas the scriptures teach, "all shall know Thee from the least to the greatest", and all in their graves shall come forth, the just and unjust. It does not say, shall come forth from heaven and hell but forth from the grave. What for? To be judged. What does judgement mean? The cases are heard and decision rendered. In this case all are sinners condemned in Adam, but will be released from that condemnation and fully tested under the government recorded in Isa: 9, 7, speaking of Jesus, "Unto us a son is given, and the government is put upon his shoulder; and his name shall be called Woncerful Chancellor, the mighty God, the everlasting Father, the Prince of Peace; of the increase of his government and peace there shall be no end, to establish it with judgement and with justice hence forth even forever. In that government is spoken of in the Scriptures, thus, "No man need to say to his neighbor know the Lord, for all shall know thee from the least unto the greatest", and again "righteousness shall fill the earth as the waters cover the great deep". What a contrast to what is existing, and has existed for all ages under the god of this evil world, even for most 2000 years. Under the creed and teaching of the differen systems we ought to see a vast improvement in society.

(By A Bible Student.)

If they are the responsible and dependable leaders and teachers of church circles and the lives of many such are so visible that it need not even be mentioned, and and in so far as the present systems could bring peace to the earth, would or never could be accomplished. Let us look at some of the woes and sorrows and heart aches, that is in the world today, saying nothing of the past. First let us notice some of the afflictions of the human family, so we may better understand what full deliverance will mean. All are under the curse of death. Billious have already died, and millions are looking forward to the prospect of death in the war future, with all its heartaches, partings from relatives and friends, and the agonies of the dying process. Others are in beds of pain, in homes, in hospitals or on operating tables, other millions are walking about and compelled to work for a living with pain racking their bodies. Relatives mourn for loved ones who are living in drunkedness, debauchery or crime or have gone down in premature graves, or lying in convicts' cell. Others mourn for a son killed on the battle field or lying mained in some hospital or insane asylum, while there hearts quail at the prospect of another war, with its poison gas, liquid fire and other death dealing devises, fearing the next war will claim their other sons and grandsons. Then all the murderers, suicides, and those living in the dens of vice and gambling, all causing mourning and suffering to their friends. Millions of others suffer from lack of work necessary to support themselves and family, others low wages, high rent, taxes, and cost of living and how many think of loved ones enduring agonies in a literal lake of fire and brimstone as taught by a false doctrines. How others suffer to think how a loving God could be so cruel and unjust to inflict such a punishment on any one and many turn away from loving such a God, when in Rev 21:4 we read: "And God shall wipe away ALL tears from their eyes, and theee shall be no more dying, death, sorrow, or crying, and no more pain for the former things shall pass away" What are the former things? Sorrow, tears. crying and death. In Isa 33:24 we read: "And the inhabitants shall not say "I am sick and the people that dwell therein shall be forgiven by their iniquity. Then the eyes of the blind shall be opened, the ears of the deaf be unstopped; then the lame man shall leap as an hart, the tongue of the dumb shall sing. Then shall come the joy. They shall beat their swords into plowshears and spears into pruning hooks; nation shall not lift up sword against nation, neither shall they learn war anymore. He maketh wars to cease unto the end of the earth. They shall not hurt or destroy in all my holy (Kingdom) saith the Lord." What a comfort it will be when millions of people will learn that their dead friends are not roasting in torment, but sleeping in death, in the grave until Christ shall call them fourth from the tomb, during his 1000 years reign and give them an opportunity to win everlasting life right here on the earth, under far more reasonable conditions than now exist. Then the devil will be bound to all outward forms of evil and temptation will be removed. Then people will believe the statement of the prophet which reads: "The dead know not anything."

(To be continued)

Taken Up:—At my place, 6 miles east and 1-4 south of Rosalie, on or about Jan. 20th, 1930, a mare, weight about 1300, 12 years old. Owner may have same by proving property, paying all costs J. T. Barada.

GOOD ADVANCE IN HOGS

With 14,000 fresh hogs Monday, favorable reports from outside markets and a broad shipping demand the trade was active from the start at prices strong to 10@15c higher than Saturday. Sales were very largely at a spread of $9.35@10.80 with some of the best light butcher weights up to $9.10.

SHEEP AND LAMBS STEADY

A liberal run of sheep and lambs arrived for the opening day of the week, 19,000 head but both order buyers and local packers had good orders to fill at steady to possibly a shade stronger prices. Fat lambs sold a $8.25@9.25. Feeder lambs and aged sheep were quotably steady.

FAT LAMBS: Fed lambs, good to choice $8.50@9.25; fed lambs, fair to good $8.00@8.50; fed shorn lambs $7.75@8.35; yearlings, all grades $7.00@8.00.

FEEDER LAMBS: Shearing lambs, good to choice $8.00@8.65; shearing lambs, fair to good $7.50@8.00.

As We Grow Older

We Should Keep Careful Watch of our Kidneys.

KIDNEY disorders are too serious to ignore. It pays to heed the early signals. Scanty, burning or too frequent kidney excretions; a drowsy, listless feeling; lameness, stiffness and constant backache are timely warnings.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Used and recommended the world over. Sold by good dealers everywhere.

50,000 Users Endorse Doan's:

Mrs. Alice Gunnis, 3440 Harrison Ave., Detroit, Mich., says: "I suffered with a dull ache across my back that bothered me a great deal when I was doing my housework. When stooping, my back pained so that it was a task to straighten up again. My kidneys acted very irregularly, but after taking Doan's Pills I felt fine again and the backache left me. I gladly recommend Doan's."

Get these extra profits from fence supported on

RED TOP STEEL DRIVE POSTS

GOOD boundary and cross fences plus a liberal use of movable or temporary fence are not an expense but the *best investment you can make*. It pays big dividends in the form of wastes stopped—labor saved in harvesting crops—down and shattered grain salvaged—pasturage in stubble fields made available—extra pigs raised and marketed earlier. And it pays *extra dividends* in the form of losses prevented, such as stock killed on the highways—valuable animals lost through breaking into and gorging on crops—damage to stock from wire cuts—milk production lost through damage resulting to a good cow breaking through a run down fence.

And when these good fences are erected on Red Top steel posts they not only last longer but are an efficient lightning protection to stock—Red Tops ground the flash every rod—save the loss of valuable animals.

Come in and let us show you the superior features that make Red Top last longest in the fence line—make it the best steel post your money can buy.

Religious Talks.

(By A Bible Student.)

The statement, "All that are in their graves shall hear the voice of the son of man and come forth' think of meeting the loved ones right here on earth and enjoying life, liberty, and happiness together, no grafters, liars, thieves, murderers, aldulterers, etc. The rod of iron, or iron clad rules, will be so strictly enforced, that all things shall forever pass away, then, and then only can we expect to see prohibition, or any other present law be fully enforced, and be enforced by justice and equity. But not mans idea of justice, for there is no justice in any man, but the beast and false prophet will be in the lake of fire and can not hurt nor influence anyone, and satan will be in the bottomlese pit for 1000 years, and thus the Three great powers removed, mankind can rise up, up, up, and not be hindered in his qrogress by any outside influence till he has attained to the perfect state of man. He will be given a full and fair trial under Christ and his body or members of God's Royal family, who the Apostle Paul tells us: "must reigu until things in heaven and on earth are brought in subjection under His feet." First Cor. I2 22 says: For just as thru Adam all die, so also thru Christ all will be made alive again. Christ being the first to rise from the dead and afterwards Christ's people rising at His return. (Notice He says rising.) Later on: "comes the end, when He, (Christ) is to surrendea the Kingship to God the Father, when Christ shall have overthrown all other government and all other authority and power For He with His ressurrected saints must continue to be King until God has put all enemies under Christ's feet or control. (Psalm 8:6) (CxI) The last enemy to be overthrown is Death. But When the whole universe has been made subject to Christ, then Christ will also become subject to God, who has made the universe subject to Christ, in order that He may be all in all. Thus we see all of Satan's power and authority will be overthrown and mankind released from satan's power. Then be ready to learn, obey, and start anew as God intended Adam in the beginning. Scripture tell us: "And He will destroy in this mountain or new government, the face of the covering cast over all people, and the vail that is spread over all nations. He will swallow up death in victory; and the Lord God will wipe away tears from all faces." In that day when Gods kingdom is in full control, than all the earth shall be filled with His glory. The day which we are now entering, the beginning of the 1000 year day in which scriptures tell us the greatest battle ever on earth shall be fought. Satan will not give up without a death struggle, since he has a strong and mighty hold on all nations which will bring a great calamity on the earth, when God rises up ro the fray. For He says "I will shake all nations; and the desire of all nations shall come." Again throuph the prophet He says: "Therefore wait ye upon me (don't run ahead) until the day that I rise up to the fray; for my determination is to gather all the nations that I may assemble the kingdoms, to pour upon them mine indigation, even all my fierce anger for all the earth shall be devoured with the fire of jealousy. Then will I turn to the people a pure longuage, that they may all call upon the nsme of the Lord to serve him with one consent. And He shall judge among the people and rebuke strong nations afar off. And after that they shall beat their swords into plowshears, their spears into pruniug hooks, nation shall not lift up a sword against nation, neither shall they learn war any more. But they shall sit every man under his vine and fig tree, none shall make them afraid. For ALL people will walk every one in the name of his God." In this kingdom the prophet says: "The wilderness and the solitary places shall be glad. The desert shall rejoice and blossom as the rose. The eyes of the blind shall be opened, the ears of the deaf shall be unstopped, then shall the lams leap as an hart, and the tongue of the dumb sing, and in the wilderness shall waters break out, streams in the desert. And our Highway shall be there and it shall be called, the way of holiness. No lion shall be there, nor any ravenous beast go up therein, (Lion and beast is symbolic of harsh, greedy men) but the redeemed shall walk therein."

Religious Talks.

(By A Bible Student.)

And the ransomed of the Lord shall return and come to Zion with songs and everlasting joy upon their heads, they shall obtain joy and gladness and sorrow and sighing shall flee away."

What a comforting message and glad hope is found in God's Holy word the Bible and know God's promises have been kept away from the poor dying world and deluded teachers causing so much sorrow instead of the glad tidings of great joy.

To further prove that God's plan is for restoring mankind we will point out some of His words spoken through the Prophet, also what some of the Apostles said regarding the Prophecies. Man has and still does teach, (we don't need the Prophecies, the New Testament is all sufficient). But let us see how many of them Jesus refered to among his teachings. In Mathew no less than 59 times. Mark's gospel gives 33 times. Luke's 33 times. John's 17 times. In Acts of the Apostle's we find 52 times, By Paul to the Romans we find 65 times. 1st Corinthians 15 times. 2nd Cor. 15 times. Gal. 11 times. Ephesians 4 times. Hebrews 66 times. James 8 times. 1st Peter 5 times. 2nd Peter 4 times, how dare we say we don't need them. Paul says, "The law serves as a copy and type of heavenly things', 'and the law exhibits only an outline of things to come' 'The ceremonies of the Jewish writings is a type and shadow of better things to come' 'It is for admonition and instruction upon whom the end of the ages have come'. 'The law Moses wrote for the Isrealites was God's perfect law. It was given unto them to live by, which, if they could have kept, would have given them everlasting life on earth, they being imperfect could not do a perfect thing nor keep a perfect law. None ever did or ever could keep it, but one, and that was the man Jesus. He kept it perfectly, which entitled him to everlasting life on earth, as Adam had when he was created. But as it required a perfect man to redeem Adam and his race. He, Jesus, willingly laid down that perfect life in death, as a man for a rodemption price for Adams race, to be testified in due time.

In Proverbs 11:31 we find "The righteons shall be recompensed in the earth; much more the wicked and the sinner". Acts 17:81 says God hath appointed a day, (the 1000 year day, a 1000 years with God is as one day. Man's day is a 24 hour day, but not so with God), in which he will judge the world in righteousness by that man whom he hath ordained."

This judgement during this 1000 year, day, will be perfect in the administration of the worlds affairs He says in Isa. 11:2-4, "And he shall not judge after the sight of his eyes, neither reprove after the hearing of his ears, but with righteousness shall he judge the poor and reproye with equity for the meek of the earth." In Isa. 28:17 we read, "Judgement will I aleo lay to the line and righteousness to the plummet." In Ezekial 33:18 19 we read that during this rule, "When the righteous turneth from his righteousness and commiteth iniquity, he shall even die thereby".

That is the second death, not torment, but everlasting destruction or eternal death. And if the wicked turn from his wickedness and do that which is lawful and right he shall live thereby."

During this time of judgement when justice is to be meted out to all, God declares, "I will be a swift witness against the sorcerer and against the adulterers and false swearers, and those that oppose the hireling in his wages, the widow, and the fatherless, and that turn aside the stranger from his right. Matt. 3:5, also hear what he says in Isa. 14: 24, 27, 46: 10, 11. "Surely as I thought it shall come to pass and as I have purposed so shall it stand". The Lord of hosts hath purposed and who shall disarm it? And his hand is stretched out and who shall turn it back? My council shall stand and I will do my pleasure; I haye spoken it and I will bring it to pass; I have purposed it and I will do it; And in Isa. 40; 28, 50;2, 59;1 it reads, "Hast thou not heard, that the everlasting God, Jehovah, the creator, of the ends of the earth, faineth not, neither is weary". "Is my hand shortened at all, that I cannot redeem or have I no power to deliver". "The Lord hands are not shortened, that it cannot save; neither is his ear heavy, that it cannot hear". God knew from the beginning what would be the end, and he let Lucifer and and his creatues take the course as they desire.

Spanish-American War Vets Organize

ANDERSON-POUNDS CAMP FORMED SATURDAY

State Officials, and Distinguished Guests Conduct Organization of Thurston County Camp and Install Officers. Present Membership of Fifteen.

From The Walthill Times.

The Thurston county group of Spanish-American war veterans, thirty years after the war, were formally organized as a veterans' camp last Saturday afternoon and evening and the officers of the newly chartered camp were duly installed.

Present and conducting the ceremonies were Geo. Ludden, department commander for Nebraska; E. E. Carle, department adjutant; Judge G. A. Eberly of the supreme bench, judge advocate; O. W. Meier, historian; Fred C. Sarborough, Wm. E. Patterson, senior and vice commander of Wm. Lewis camp; and O. E. Sincebaugh, of soldiers' relief commission —all from Lincoln.

The meeting was held in the Masonic hall with nine of the Thurston county veterans present. The charter was conferred and the election of officers followed.

At five o'clock the members of the camp and their guests were entertained at a dinner in the M. E. parlors, served by members of the Ladies' Aid.

As the visitors wished to depart early, the evening program was curtailed somewhat, but the state officials delayed to install the officers of the new camp with the assistance of their visiting comrades. Following the installation J. B. Eberly, Commander Ludden and Comrade Sincebaugh gave inspiring and instructive talks before adjournment.

The name given the new camp is "Anderson-Pounds Camp, United Spanish War Veterans, No. 23, Department of Nebraska." The adopted name was chosen as a memorial of two Thurston county comrades who lost their lives in service. While only nine members were present Saturday, fifteen have subscribed for the charter, and the time for additional charter members has been extended 60 days. It is stated that the privilege of membership is extended also to veterans residing in adjoining counties which have no organization.

The officers installed for Anderson-Pounds camp are:

E. M. Beebles..... Commander
W. W. Barber..... Sr. Vice Com.
O. R. Ross..... Jr. Vice Com.
Geo. Lemmon..... Adjutant
Ralph Evans..... Quarter Master
James Brink..... Officer of the Day
Thos. Buchanan..... Officer of Guard
J. J. Elkin..... Chaplain

The headquarters of the camp will be in Walthill.

Miserable with Backache?

It May Warn of Disordered Kidneys.

DOES every day find you lame and achy—suffering nagging backache, headache and dizzy spells?

Are kidney excretions too frequent, scanty or burning in passage? These are often signs of sluggish kidneys and shouldn't be neglected.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Endorsed the world over.

50,000 Users Endorse Doan's:

J. F. Parker, 115 Mansion St., Pittsburgh, Pa., says: "I gladly recommend Doan's Pills. My kidneys were not acting normally. The secretions were very irregular and burned in passing. I would get up in the morning tired and stiff all over. I had a constant backache and headaches annoyed me. Since using Doan's Pills I have been in good shape."

Religious Talks.

(By A Bible Student.)

"Are (meaning God's days) thy days as the days of man? Are thy (God's) years as man's days? Wisdom is high for a fool. Who hath known the mind of the Lord, or who hath been his counsellor?" The issue then and now is, who is the great supreme God? That is now the issue that must be determined. If man is ever to be justified and stand right before his maker, God must provide the way God alone is wise enough and powerful enough to do it. God knowing the end from the beginning did make provision for mans justification or reconciliation.

"The seed" that was to come in some future day, which "seed" should be the complete conquerer of Satan and should destroy death and its power. At that time no one was wise enough to know when and how the seed and conquorer would come, as made in the statement of Gen. 8:15; (A redeemer must be provided) redeem means to buy back, to deliver by the payment of a purchase price, or to rescue, make free or set free or deliver the one or whatever be held in bondage. Adam sinned and the bondage of death resulted to him and through him all men came under the bondage as Adam did, death. If man is to be delivered from that bondage it must be done by one who is willing to pay the required price; one who is strong and able to resist and overcome the power which kept man in bondage. The first prophecy ever uttered indicated there would be a great conflict in connection with the redemption of man from bondage, that the deliverer must be a conquerer. God caused many prophetic pictures to be written concerning man's future blessing. Some by the sacrafice of animals, their blood sprinkled and their skins as coverings. At that time men did not understand their meaning. The animals sacrificed was for a rememberance of sin, that a substitute was necessary for the sinners, hence the sacrifice was prophetic, showing that in some future day these must be a sacrifice of life that will furnish the great cost price for the redemption of man, which must be a substitute for Adam, therefore a perfect life. That life must be a sacrifice, that is, die, a sacrificial death. The prophecy mean that someday in God's appointed way, this sacrifice would buy back the "right of man to life" he lost in Eden, and his right must be bought with a price. The price was the sacrifice of God's beloved son, who was then, a spirit being, who was His first forgotten son in the beginning of the universe who was willing to leave the spirit world, out of pity for the human race, take a lower degree, become a man, as it revuired a man to redeem a man, to humble himself to such a low degree as to put himself in the place of sinners and die foa them and be the deliverer of the people from sin, bondage, death. In the prophet Isa, we find "come now, let us reason together, said the Lord; though your sins be as scarlet, they shall be as white as snow; though they be red like crimson, they shall be as wool." It meant destiny is fixed, there would be no occasion for him to reason with the Lord. (To reason means to arrive at a just conclusion, by starting at a premise or fixed basis and step by step applying the known facts according to fixed principles or rules of action.) The question at issue is, the salvation of man. (The premise is:) Man is imperfect, in a dying condition, suffering in his present condition and desiring deliverance therefrom. God's plan provides for complete relief, bp arranging for the deliverance of man from all these disabilities, and complete restoration to life and happiness. A principal is a rule of action, the primary attributes that are inherent in Jehovah are wisdon, justice, love, power, and working always harmoniously Man was also endowed with the same attributes, but he failed and became greatly degenerated, yet every sane, intelligent man retains a small degree of some justice, some wisdom, some love, some power. He must learn to exercise them to some extent, harmoniously. The mind is the faculty by which man searches out facts, weighs, considers those facts, and reaches a conclusion. The heart as here used, denotes the faculty by which man detrrmins to do or not to do certain things.

Capitol Theatre,

The talking picture, with it's appeal to both ear and eye, has reached its ultimate developement in "The Rogue Song", Metro-Goldwyn-Mayer's all color spectacle which starts a seven day engagement at the Capitol Theatre, Sioux City, Iowa, Friday, May 16th. Those who love swashing-buckling high adventure and romance will revel in its ingenious plot; music lovers will enjoy the songs of Laurence Tibbett, the famous radio star, who makes his talking debut in the picture, and lovers of art will revel in the color photography and the spectacular ballet, in natural color.

Tibbett, world's greatest baritone, bids fair to become one of the greatest of screen stars thru' this picture, photographed entirely in color, and directed by Lionel Barrymore.

Laurel and Hardy, borrowed from Hal Roach, play a couple of comedy Cossacks, and keep up a running fire of hilarious comedy in the dramatic moments and the songs. The Albertina Rasch ballet of a hundred beautiful girls appear in the palace scene in a dance ensemble, and the village fair, with its strange street fakirs, fire eaters, snake charmers, and other attractions is another colorful detail new to pictures,

Have you heard this radio announcement? To advertise our Hardy Perennial Flowers and Bulbs, we will send Postpaid at planting time, 6 Oriental Poppy, 6 Hollyhocks, 3 English Daisy, 3 Sweet William, 2 Canterbury Bell 3 Rocky mountain Columbine plants and 12 Superfine Rainbow mixture Gladiolus bulbs, if you will write for them at once and send a dollar to help defray the propagating and mailing expense. Religious Talks.

(By A Bible Student.)

Determination after the mind has considered the facts and reached a conclusion.

No creature can exist without an organism, a human body of flesh is the organism and the breath of life in that organism animates the organism and causes all the faculties to function.

Hence we read that "God formed man of the dust of the ground and breathed into his nostrils the breath of life and man became a living soul," Gen. 2:7. Every man is a soul. He does not say he has a soul, but he became a soul (man became a soul).

Satan's fraudulent teachings led men to believe that man possessed a soul and that the soul is the immortal part of man. But nowhere in the Bible can such teachings be found Wisdom, justice, love and power are attributes of the creature, man, they are faculties of the mind, in these attributes man is like unto God. Every man is a character, no man possesses a character. even as he does not possess a soul.

A perfect character is a being possessing all of these attributes in equal and exact balance. God is the perfect character, these four attributes are equally balanced in him and work in exact harmony.

Man was created to live on the earth. Wisdom provided that man must first be put to the test before granted the prize of life everlasting, would man be true and faitnful to God? He was tested and failed. Justice demanded that Adam forfeit his life because he violated the law of God and Justice must see to it that the law is enforced. Justice alone operating would destroy man forever. Love, which is the perfect expression of unselfishness, provided for man's redemption and deliverance and that all the obedient ones, under the test, would be given the blessings of restitution to human perfection and be granted life everlasting. Power carries into operation the plan of God Every plan suggested for man's deliverance which is contrary to God's plan is from the Devil.

God's plan is right and reasonable. Many are the man-made plans held before the people which are unreasonable because they are all different; therefore suggested by the evil one, Satan. Therefore God invites man to come and reason with him. In substance saying, if you do this it matters not how wicked you have been, I will show you the right way and if you follaw my way, I will make you as white as wool and as pure as the snow from heaven.

Now let us reason upon God's plan as in the Bible. Man finds himself in an unhappy condition, sick, suffering and dying. What is the reason? Answer: Adam sinned and was justly sentenced to death. Therefore all his offspring were born imperfect and inherited from Adam imperfection, therefore all come under condemnation, (condemn means disapproved), Rom 5:12, Psa. 51:5. By the offense of one, judgement came upon all men to condemnation, even so by the righteousness of one the free gift came upon all men unto justification of life. Justification to life is a gift from God. No man would accept a gift without knowing it was offered to him. God provided that man shall have knowledge: 1st by precept, His expressed will as set forth in the Bible. 2nd by example, which means that which corresponds with or resembles something else which is to be followed, a pattern or picture as types or shadows for the purpose of teaching lessons to other men. 3rd by experience, both enjoyment and suffering, the first clear proof that God was working out his plan for mans deliverance is found in the promise to Abraham, "In thy seed all the families of earth shall be blessed" which means mans dissabilities removed and then to restore him, if obedient, to the conditions enjoyed before the tragedy in Eden. This must come through the 'seed' That seed was Christ. Christ means anointed one. The anointed one means, him who is clothed with authority to do certain things.

Religious Talks.

(By A Bible Student.)

God would clothe someone with authority to bring to mankind the blessings he promised. Messiah means the same as Christ. Isaiah prophetically wrote of a King and his powers thus. "For unto us a child is born, unto us a son is given, and the government shall be upon his shoulders; and his name shall be called wonderfu', conncellar, the mighty God, the everlast-Father, the Prince of Peace". Isa. 9:6 in due time the message came to a virgin called Mary from the line of David, telling her of the child who was to be borne by her, whose name was to be Jesus. He was to be great and to be called the son of the highest; and he was to be given the throne of David, and He shall reign over the house of Jacob forever. Of His kingdom there shall be no end. Satan being on the alert watching for the "seed" that was to bruise his head, began to lay plans to have the babe destroyed, under the Jewish law a woman guilty of adultery was to be stoned death. (Levetius 20:10). Satan set about to have esponsed husband Joseph make a public exibitron of her and have executed, thus destroying the unborn child, but God's plan would not be changed. 2000 years had passed since this promise was made to Abraham and 4000 since the tragedy in Eden. All this time the peoples of earth were groaning in pain and suffering and throughout that period of time the Angels of heaven had been watchfor the birth of him who would be Savior of the world. To Gabriel had been assigned the duty to be bearer from the courts of Jehovah the message to the virgin Mary. There are millions of such glorious creatures before the thron of God Dan 7:10. The beautiful story of Jesus birth is known to many. The hour had now come. The heavenly throng was due. In the van of this marching heavenly host was one mighty angel of God to whom had been delegated the authority to announce the birth of the beloved Son. To the Shepherds watching the flocks. And, lo, the angel of Lord came upon them, and the glory of the Lord shone round about them and they were afraid. Then the Angel said to them, "Fear not, I bring good tidings of great joy which shall be to all people",(Luke 2:9-11).

The mighty or chief messenger who made the announcement was now joined by a multitude of the heavenly host singing praises to God. This is what the sebpherds heard, "Glory to God in the highest, and on earth peace, good will toward men". Who was this one born in the manger and whence had he come? The record of God is that in the beginning he was the Logos. He was the first and only direct creation of God. Thereafter he was the active agent of Jehovah in creating all things that were created. In obedience to the will of God his life was now transfered from the spirit to the human plane. The Logos was made flesh and dwelt amongst men; that he might take away the sin of the world. Now let us look at the conspiracy of Satan the means for the destruction of the babe Jesus. The Romans were in control in Palestine and Herod acted as ruler and king under the supervision and control of the Romans. A willing instrument in the Devil's hands. He would not hesitate to anyone who he thought might interfere of the office of Kings. He caused all the children two years and under to be slain but failed to thwart God's plan. At 30 years of age (the legal age under the Jewiso law) he began to bear witness to the truth of God's plan. He began his ministry, that the purp se of God might be accomplished. His first act was to report to John at the Jordan, asking to be baptized by John. Why be baptized being a perfect man; water immersion is a symbol of beburried or put to death. Jesus baptism was a symbolic representation of the fact that He at a great sacrafice to himself had Yielded unto his Father to do his Fathers will no matter what that will was even unto death being put under the water and raised up out of it symbollically declared, "God's will would lead to his death.

Religious Talks.

(By A Bible Student.)

Tne raising up out of the water meant (God would raise Jesus up out of death.) Here was fulfilled the prophecy spoken by him. "Lo I come to do thy will, O my God: Yea, thy law is within my heart", Psa. 40:7 8; Then the heavens were opened unto him and He saw the spirit of God descending like a dove, and lighting upon him: and lo, a voice from heaven saying "This is my beloved Son, in whom I am well pleased". Thus giving an outward bemonstration to John as a witness that this was God's beloved Son, born ro deliver mankind. Immediately Jesus went into the wilderness, and when he returned was hungry at so long a fast. Here Satan again sought a plan to destroy or tempt Him to be disloyal to God, so he appealed to his fleshy wants and needs. His innocent, seemingly, temptation to Jesus was, "If thou be the son of God command these stones to be made bread." Satan well knew had Jesus done so it would have led to his death. To be loyal means obedience to the letter and spirit of the divine law of God and never render allegiance to another that is contrary to that of Jehovah.

Why could not Jesus make the stones into bread? God had not commanded him to do so and his duty was to await for the Father to direct him what course to take. Then Satan tried another method. Satan knew Jesus was born to be King. This temptation was: "If thou be the son of God, cast thyself down", (read Math. 4:6), in other words, jump from this temple and prove to the people God will not let his son be hurt, then the people will believe you are a king in proof to what is written about you in (Psa. 91:11). Jesus could have done so but it was not God's will for him to do so, Now Satan must try another scheme to try to accomplish his purpose. God made Lucifer overlord of the world in the garden of Eden, and when he became Satan this commission had not been taken away from him, and Paul says he was god of the whole world (26 or 4 3,4 and in Jno. 12:31) Jesus recognized Satan as "prince of this world." In substance Satan says to Jesus. All the kingdoms of this world are mine and all the glory of them. You recognize that I am prince and ruler of this world. You have come for the purpose of being king, but you will have to oust me first. But now I will give you all the kingdoms of this world, only one thing I ask, If you will fall down and worship me. Satan well knew if Jesus did so God would take away all the rights and priveleges God gave to Him. Jesus answered, "Get the hence Satan etc" Matt 4:10. Jesus won the victory and Satan left him Then Jesus began his ministry.

"The kingdom of heaven is at hand. Now almost 1900 years are past since those words were uttered and much evil is yet on the earth. What could Jesus have meant by those words. Kingdom primarily means, the governing factors authorized to rule. When the last King [Zedekiah] of Israel was overthrown God said, "I will overturn it, until he comes whose right it is and I will give to him Eze 21:27. The annointing of Jesus at his baptism, he received the right to rule. Therefore Jesus had come whoso right it is. There he received the authority to be King. Hence he could say with authority. "The kingdom of heaven is at hand". The royal One, the King who in due time shall exercise his legal authority was present. It was not neccessary for him to begin his rule at that time to make his statement true. At his first coming Jesus began to instruct the people in the way of righteousness and teach them to worship the true and living God to heal the sick, and open the eyes of the blind, and cast out demons and gracious words fell from his lips, Mark 12:37. Many miracles he performed that drew the people to him, and multitudes came to hear him, the common people heard him gladly. The clergy at that time had long ruled over the people, these were made up of Pharisees, scribes.

Tin Pan Alley Is Screened

"Children of Pleasure," Metro-Goldwyn-Mayer singing and dancing, romance of Tin Pan Alley, will open Sunday at the Owl Theatre, with a cast which includes Lawrence Grap, Wynne Gibson, Helen Johnson. Benny Rubin, Kenneth Thomson, Lee Kohlmas and May Boley.

The picture was adapted by Richard Schayer from the play "The Song Writer" by Crane Wilbur. Harry Beaumont, producer of the successful "The Broadway Melody" directed.

Report has it the picture concerns the romance of a Broadway song writer with the daughter of a millionaire and revolves about the conflict between class distinction. The settings are laid in the homes of society, in Broadway music publishing offices, on vaudeville stages and in night clubs and are said to have been constructed without regard for expence. The interiors were done in a modernistic motif and contain a number of novel features among which is a fireplace which burns quicksilver and which report has it will ce used for the first time on the screen in this production. The effect is produced by vertical bars of radiating light and heat made by long glass tubes in which glowing mercury vapor is generated by an electric current.

The picture will introduce a stage star to the screen in the person of Helen Johnson, who has the part of the society girl. Miss Johnson, who is the daugiter of Merle Johnson, the cartoonist, was seen on the stage in "The Brass Ring," "New Year's Eve" and "Everything's Jake." She is said to resemble both Ann Harding and the late Jeanne Eagels.

Arbor Day Also

Miss Blanche Irby reports that District No. 28 will portray "Arbor Day" in the school pageant of "The March of the Holidays" to be held at the county fair Children's Day.

Short Course for Fair Judges

The college of agriculture is going to hold a two day school for county fair judges August 8 and 9.

Farm Women to Meet June 17 and 18

Farm Women of three states, Iowa, South Dakota, and Nebraska will convene at the Annual Interstate Conference of Farm Women in the Martain Hotel in Sioux City, Iowa. June 17 and 18

The program is planned to stress organization in the communities. A member of the Farm Board will the women the cooperative marketing plan as set up by the Federal Farm Board. Mrs. Chas. W. Sewell National Directrr of the Home and Community Department will also be on the program. A delegation of farm whmen are urged from each county in the state.

Thurston County will be represented by a number of women.

Rent Alfalfa To Hogs

Hogs will pay $45 per acre rent per year for alfalfa pasture. This figure was arrived at from an average of eleven experiments at different cornbelt experiment stations. Corn was considered worth 70c per bushel and tankage $4 per hundred in the experiments. An acre of alfalfa pasture saved an average of 1149 pounds of corn worth $14.32 and 468 pounds of tankage worth $18.72, In addition the alfalfa yielded over a ton of hay per acre worth $11.63 which makes a total of practically $45 per acre. In these trials an average of 19 pigs were kept on each acre of alfalfa. Another big advantage is that the pigs are ready for market much sooner than if they are fed in dry lots. Alfalfa is said to be the best hog pasture that can be grown in Nebraska. Sweet clover and sudan grass are the next best pastures.

Perry Thompson, Pete Coutour, Abe and "Bally" Marks, of Rosalie, spent several days last week fishing at a lake near Homer, and caught a few hundred bull-heads. The boys say the "baite" was good and so were the fish.

S. G. Nickell was in Sioux City, Monday on business.

MARTIN SCHMIDT

Bancroft, Nebraska

during Jesus' ministry began to take issue with him and diligently sought means to find some way to accuse him and his disciples, They watched to see if He would break some law such as Sabbath breaking (like many today) Jesus was trying to teach them the spirit of the law. [That the sabbath was made for man and not man for the sabbath] but murder was planned in their hearts, and were seeking to carry it out. Satan was back of it all. He knew Jesus was the heir of promise made to Abraham. Jesus knew Satan was using the clergy to carry out his purpose and through them he was preparing Judas to carry out his purpose. Then through the clergy influence the people were turning away from Jesus because of the things Jesus was teaching to them and telling them. He told them they were not serving God but their father the Devil, and his lusts they will do.

They began to fear their property, and rights to hold office, would be taken from them just as Satan suggested what would happen. Why did God permit it? God's arrangements were to put a test upon Adam as a perfect man before he could be granted eternal life. Adam failed, the religious leaders of Jesus's time were tested and they failed. Jesus was now a man and the greatest prize in the universe was set before him. God's purpose was that his Son should also be tested before being granted this big prize Jesus met the test and won. Why should Jesus die; when he left the courts of heaven to come to earth and become a man in order to provide the redemptive price for man. It was the will of God that He should die as a man to provide the redemptive price for man. It was necessary for the perfect human man Jesus to die in order to provide the redemptive price for man. They could not have taken his life, but he himself lay it down that he might take it again, He willingly went to his death, knowing God would raise him up out of death. Man's deliverance could not take place until after the redemption. The rights of man must first be purchased and then mankind may be delivered, Adam was the perfect man in Eden because of sin he was sentenced to death, he was a violator and must die. It could not be revesred or set aside. But God could arrange for the satisfaction of the judgment against Adam by substitution. But this must be done in a legal manner; in conformity to the divine law, What then did the law require 'A life for a life'. A perfect man Adam had been sentenced to death. The law repuired a perfect human life. The price for redemption the satisfaction of the judgement by substitution looking to the release of Adam, must be a life equal to that lost by reason of the judgemen nothing short of a perfect human being willing to go into death could meet the requirement of the divine law.

Satan has succeeded in having the people taught that Christ when he was on earth was divine and not a man; and he died as a divine being. This false reasoning has turned many away from the Lord and His word. Seeing that the law required the life of a perfect humae being. And all Adams offsprings were imperfect, the race was in a helpless condition Psalm 49:7 says "None of them can by any means redeem his brother, nor give to God a ransom for him", who can Hosea answers that question.

(By A Bible Student.)

I (God), will ransom them from the power of the grave. I will redeem them from death. O death I will be thy plague. O grave I will be thy destruction. I have spoken it, I will also bring it to pass, I have purposed it, I will also do it". For this reason the Logos was made flesh and dwelt among men. When the fullness of time was come God sent forth His Son made of a women, none of the imperfect blood of the imperfect Adam was in the veins of Jesus because his life was begun by the power of Jehovah and when he became a man he was holy, harmless, undefiled and separate from sinners (Heb. 7:26). As a man he exactly corresponded to what Adam was before he sinned, therefore could redeem Adam and his race. One man was the father of the entire family, one perfect man can redeem the entire human family. He does not say all men were sentenced to death, but that all men were condemned to death, condemned means disapproved. God provided that through the righteousness of his Son, the free gift of life shall come to all men, giving them an opportunity to obey him and live. To ransom means something to loosen with a redemptive price, mans right to live was lost. The perfect man Jesus had the right to live on earth as a man, The perfect man Jesus while he lived could not provide a ransom price. He must convert his perfect human life into an asset of value, which asset would be sufficient to release man from the judgement upon him. He must lay down his human life that the value thereof might be presented to divine justice in place of that which Adam forfeited in order that Adam and his race might have an opportunity to live. Jesus must make his human life and right thereto a legal tender for the payment of Adam's debt. Adam and his race would remain eternally dead, unless he and they should be redeemed. Jesus being the only perfect man on earth since Adam, entitled him to everything that belonged to Adam. He was in every respect the exact equal to Adam before he sinned. It was the will of God that Jesus should redeem Adam and his race, but he could not while living in the flesh. He must reduce his perfect humanity to a merit of value (which measure of value we call legal tenner) which furnishes sufficient price to release them all. To provide this ransom price Jesus must die. But to present it to Jehovah he must be alive and have access to the courts of Jehovah. He was to lay down his life in death, but not forfeit the legal right to life as a man.

He should rise out of death a divine creature and take up the merit or value of his perfect human life and use it as an asset or legal to release mankind and provide life for the human race. Jesus said in John. 10, "I am come that they might have it abundantly". Satan has made some believe that it was provided for only a few and all others will be lost, and others. that the ransom has no value whatsoever, Tim. 2:3-6 says, "For this is good and acceptable in the sight of God our Savior who will have all men to be saved and to come to the knowledge of the truth. For there is one God and one mediator between God and men, the man Jesus Christ, who gave his life a ransom for all to be testified in due time". And in Heb. 2:9, "But we see Jesus, who was made a little lower than the angels for the suffering of death; crown with glory and honor, that he by the grace of God should taste death for every man. It was necessary for Jesus to be ressurected a spirit being to have access to the spirit realm to present the value of his sacrafice as a man, in heaven. He was put to death in the flesh but made alive or arose a spirit being, as flesh and blood can not enter the kingdom of heaven.

The ransom price was provided on earth by the death of Jesus, that preparation for the sin offering was begun on earth, but must be finished in heaven where the value of the ransom price is presented. The dead could never live again nor the living ever hope for eternal happiness unless the disability resting on mankind be first removed. And this great ransom sacrafice is the only means of so doing. "He came to give his life a ransom for many. For God sent not his son into the world to condemn the world; but that the world through him might be saved. Sin is the transgression of the law. The wage of Sin is death, without the shedding of blood is no remission of sin".

Religious Talks.

(By A Bible Student.)

When Jesus was raised from the dead. He was the express image of Jehovah God, a divine being. God promised Him the divine nature for faithfulness to His will to carry out his plan. He was highly exalted and given a name above all other names, "that at the name of Jesus every knee should bow and every tongue confess" Phil.2: 8-11. Afterwards Jesus Christ gave to John a revelation, Rev. 1: 18 saying, "I am he that liveth and was dead; and behold, I am alive forevermore, and have the keys of hell and of death. Hell means the tomb, the grave, into which the whole human race has been going for centuries.

Many at that time denied the resurrection of Jesus and bribed men to say his body was stolen, and many to this day deny it also. But because of this death and resurrection of Jesus and his assension on high all men are guaranteed one full, and an opportunity to obtain everlasting life. Because God hath appointed a day a period of time in which he will judge the world in righteousness, by that man whom he hath ordained. marvel not at this for, the hour cometh, in which all that are in the tombs shall hear his voice, and shall come fourth; (the tomb he says they shall come fourth from) He does not say come fourth from Heaven, but both the just and the unjust come fourth from the tomb grave, hell, hades, Shoel and pit, all meaning the same thing. Satan was the one who mislead the one who misled the people to believe his lie, "Theee is no death", that when a man dies it is only the body that dies and the soul cannot die. But the wicked man dies and his soul lives on and must spend an eternity in everlasting torment. While the good man dies and his soul goes to heaven.

How Satan has succeeded in that lie, can be seen by tne so called churches and creeds in their teachings and at the same time denying the ressnrrection of the dead. For if ruch were true, there would be no need of a ressurrection of the just and unjust, as they would alseady have received their reward.

If a man has an immortal soul it would be impossible for that soul to die. For immortal meaes, undiable, undestructible, eternal and impossible to die. But the Bible teaches quite to the contrary. It says plainly "the soul that sinneth it shall die" and that "Jesus poured out his soul into death". Therefore if a man has an immortal soul it of necessity would have to live on in some place. But let us examine the scripture a little closer and see what it has to say regarding immortality. The words mortal and immortal; immortal means death proof life inherent, none ever possessed immortality except Jehovah God.

In 1st Timothy 15:16 we read, "who alone hath immortality, dwelling in the light who no man hath seen or can see". Surely we must believe the bible rathor than man or satans lies.

Mortal means die-able, that is depending on God for the continuation of life, but could be destroyed. Everlasting life is a gift of God, through Christ the appointed Life-giver.

Adam was not immortal else he could not die. God drove him out of Eden, lest by eating of the tree of life and live forever, Gen. 3:22 shows he was in a condition which was liable to death, die-able, in which death was a possibility or everlasting life a possibility according to his obedience, had he been obedient to God he would be living yet, and still be mortal, only liable to death of disobedient. Adam, before disobiedent, had life in full measure, but because he was not death-proof, disobedience meant something. It meant the loss of the spark of life, the breath of life, that without it the body would return to dust. Was Jesus an immortal man? No. Jesus received immortality at his ressurrection, as a reward for his faithfulness, even to the death on the cross. Hopes of a future everlasting life is shown in the old Testament, but immortality is not even mentioned. But the New Testament declares in (2 Tim. :10) "That Jesus abolished death and brought Life ann Immortality to light through the Gosple." Gosple means good news. Meaning this great salvation, began to be preached by our Lord, Heb. 2:3. Life and immortality brought to light, (1) shows that the Lord purchased the whole world of Adams posterity and secured for all every member. an opportunity to return from death to life on up to perfection as Adam enjoyed in Eden.

Religious Talks.

(By A Bible Student.)

Under reasonable terms of the new covenant to a life here on earth which will be everlastingas long as the individual remains obedient under the new order or under the reign during the 1000 years. The light of Christ's gos ple or the (good shows a special calling to those who are willing to be tested and prepared during this gospel-age to a higher calling than to everlasting life on earth, to a calling to immortality to the divine, the heavenly nature, to the same nature Jesus received at his resurrection.) A company who shall be called the "Sons of God" which Jesus as their captain shall lead them to glory, honor and immortality, each one must be a spiritual copy of or likeness of Jesus, to get this place of honor, as the bride, the Lamb's wife and joint-heirs. During this gospel age of penticost to the setting up of the kingdom at the second coming of Christ, is the time for selecting, testing and trying of this "Bride, the Church, the Body of Christ, the royal priesthood, the Seed of Abraham," The permission of evil during this interval of time is for the purpose of developing these members of the body of Christ. The church, that when at the end of the age they may be presented by their Lord before the Father and God may see in them the image of His Son. The record of glory, honor and immortality will be given when they have finished their course as Jesus finish-his; by sacrafice and obedience evto death. Then they enter into glory at their ressurection to become partakers of the divine nature, by being born from the dead, and receive the highest honor in the universe with Christ, from mortal to immortal, the divine nature, Also called the resurrection of the church, or the first resurreetion, far above the angels. Paul says, "This mortal must put on immortality," and, "When this mortal shall have put on immortality, Where, oh death is thy victory, Where, oh death is thy sting? Sin is the sting of death. But we have victory through our Lord, Jesus. In Rom. we find, "Those who by persistant right doing, are striving for glory, honor, immortality and everlasting life", also we read, "None but God has immortality, and Jesus brought it to light," and it must be sought for, it must be put on, or gained, now if any one has an immortal soul, why should the scripture tell us none but God has it. And why are we to put it on? an it is a gift, and we must accept it and seek for it, lay hold upon it, It is a hope we have while living, and can only be obtained by faithful obedience until death. Only those anointed and begotten of Gods spirit will ever receive the heavenly "crown of life" and sit with Jesus in his throne in heaven, and thus be a menber of the kingdom of heaven, to such are given the exceeding great and precious promises, and be partakers of the divine nature.

(To be continued.)

Village Board Proceedings

Rosalie, Nebraska, June 3rd, 1930.

The board of trustees of the village of Rosalie met in regular session.

Present, Hansen, Morgan and Coolidge.

The minutes of the last meeting were read and approved.

The chairman appointed the following committees for the year:

Finance; Coolidge and Shumway.
Claims; Morgan.
Streets and alleys; Hansen.
Water; Reed.
Light; Morgan.
Ordinances; Reed and Shumway.

Claims allowed:

M. E. Smith, labor,	$85.00
H. Shoop, labor	3.50
Central States Electric Co. juice,	42.10
Hjelm Auto Co, repairs	7.05
C. O. Shumway, merchandise	1.50
Rip-Saw, printing	16.41
C. A. Lindamood, gas and oil	20.80

Religious Talks.

(By A Bible Student.)

The ransom was for Adam and his race. The whole world of mankind, who will have the opportunity to live right here on earth which is to become like the garden of Eden all who are obedient during that reign. All except a class of the called out ones as explained in the foregoing, who will reign with Christ in this kingdom and bring fourth the blessings to the rest of mankind. God made the earth to be inhabited, and in his prophecy says, "Look unto me and be saved all ye ends of the earth," also he says, "The earth abideth forever," and "the righteous shall inherit the land and dwell therein forever," that is, after the trial during his reign, and then those who still do evil shall be cut off. The whole gospel age was for the selecting of this called out class, which constitutes the 'Seed of Abraham'. Paul says, "If ye are Christ's then are ye abraham's seed and heirs according to the promise". It was never intended that the world was to be converted during this period of time. But the gospel was to be preached for a witness in all the world, that those who heard and obeyed might become associate members with Christ and become that seed, that was eventually to bruise the serpent's head, spoken of in the Garden of Eden, thus, "the seed of the woman shall bruise thy head." Christ is the seed and those who become associate members with Christ becomes the seed which is to bless all mankind and preparing for the work of converting the whole world, and bring it back into complete harmony with God's. These are joint heirs with Christ, members of his body, Son of God, adopted into his family. Adam was a son of God. He disobeyed and was sentenced to death. He lost his sonship. Christ died for Adam and his race, Redeemed him and his race, and opened up a way for man to return to God. For the past nineteen centuries God has been selected from among mankind a few faithful followers of Jesus, and to these he has given the promise that they shall be with Christ. Jesus in his kingdom, which shall bring peace upon the earth. No man made powers can accomplish this no matter what method they may bring fourth. All these faithful followers of Jesus must follow the course outlined in his word, which means search the scriptures does teach, not what man teaches, but what the scriptures teach, regardless of what relatives, friends and neighbors may think and say, and follow the course marked out there in. The true christians were never authorized to preach politics, or social reforms.

Religious Talks.

(By A Bible Student.)

Such action never brings reproach or persecution upon the teachers, Jesus began his first preaching by these words. "The kingdom of heaven is at hand", any one speaking of that subject usually is slandered, reproached and persecuted. Jesus warned those who would be his followers would be thus treated. He says, "If they have persecuted one they will also persecute you". There is a vast difference in being persecuted for righteousness sake, and be-persecuted for busy-bodying, dishonesty, meddling, hypocrisy and falsifying, for all such is deserving to be persecuted, but if reproached for the name of Christ, 'happy are ye'. Only such can be 'heirs of God and joint heirs with Christ', Paul says, "if ye suffer with Christ that ye be glorified together". Paul was a man of unusual attainments and a member of a great and popular religious organization of his day, but when he became a true christian, he with drew there from and afterwards suffered persecution and reproach even unto death for his faithfulness unto the Lord. He always preached the coming kingdom and its blessings, he counted all else love and dross and was willing to suffer to win the crown 'Love not the world nor the things of the world' says Jno. 2:15, and again 'overcome the world', Jesus said, "I have overcome the world" and again, "friendship with the world is enmity with God. What does the 'world' mean? It means Satan's great organization. Some people think that the 'world' means bad habits or evil deeds. For Jesus himself said "I have overcome the world". He never did any thing evil or had any bad habits, yet he overcome the world. It means to abstain from opperating with the methods and schemes of the world, because they are contrary to God's methods and purposes. God's method to convert the world is by and through a righteous government on the earth by Jesus Christ, and during the thousand year reign of Christ, that is mankinds only hope. Man plan is by setting up a league of nations. Federation of churches, by drastic legislation, prohibition law, moral and social reform, which are methods of force, and in that they can never succeed The Bible points out their utter failure, because set fourth by the great popular organization of our present day, which Paul says Satan is the "God of this world", any one who takes issue with the with the popular idea of today is call, a red, a bolshevist, and an anarchist and a traitor to his country, and is reviled and persecuted. But the christian give heed to the prophet which says, "Rest in the Lord and wait patiently for him". "Fret not because of him that bring wicked devices to pass," fret not thyself because of evil doers.

Religious Talks.

(By A Bible Student.)

There is a wide difference between evil doers and wrong doing. An act of injustice is always wrong, and works evil on another, the administration of justice is right. Wrong doing is always attended by injustice, but wrong could never result form strict enforcement of justice. Justice means that which is right and in full harmony with God's law. All judicial determination or decrees rendered or made by Jehovah are right, 'no respect of persons' is made in God's sight, only God can render justice. Man after enforces laws in respect to person because of ill will, hatred or malice which is wrong and evil, while honest administration of justice is right even though it results in suffering to those it is enforced against. Men have formed nations, made laws, provided tribunals which have rendered and enforced judgements, but have failed to do so justly, because the people of the earth have been and are under the influence and control of Satan. When God's Kingdom is in full sway in the earth, Christ the King will do justly and render decrees in justice and righteousness. All his judgements will be right. God made a covenant with the man Jesus Christ for the kingdom, which covenont carries with it the rulership over all things. By the grace of God, Jesus invited his deciples to have a part with Him in that covenant, who then by patient continuance in well doing seek for glory, honor and immortality, eternal life, till all come in the unity of faith and the knowledge of the son of God unto a perfect man, the measure of the statute of the fullness of Christ. Eph. 4:13, and if they continue faithful to the end they shall heirs of God and joint heirs with Jesus Christ who is heir of all things. These he takes out from amongst the world for his names sake, Heb. 2:9-11, Act. 15:14-15, The first man Adam is of the earth. The second man (The Christ) is the lord from heaven. These heirs and joint heirs are the ones who with their head, (Christ) is meant in 1st Cor. 15. This is the 'gospel' the good news, which means 'glad tidings'. Gospel never means bad tidings, there is no thought of torment, or anguish, or suffering in connection with the word gospel. Any one who assumes to preach the gospel must preach a message of joy and hope and peace, nothing else is the gospel. Many people have the false idea that they are preaching the gospel when they are trying to scare people into becoming christians by threatening them with eternal torment, which doctrine is not taught in the Bible, Men have twisted some of the symbolic language of the Bible and tried to make it teach eternal torment. This teaching is entirely devoid of love, mercy, sympathy and kindness but rather as a club to scare and intimidate people into joining some church, which idea was foisted on the world by the devil.

Tired Days - Restless Nights

Result from Kidney Irregularities.

DO kidney irregularities break your rest and make your daytimes miserable? Are you always tired and drowsy—suffer nagging backache, headache and dizzy spells?

These are often signs of disordered kidneys and shouldn't be neglected.

Heed the early warnings. Don't let kidney trouble get a firm hold.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Users everywhere endorse *Doan's*.

50,000 Users Endorse Doan's:

T. J. Concannon, 804 Thurman St., Portland, Ore., says: "Backaches bothered me and I was so lame and sore I could hardly move around. I was tired and draggy. Headaches and dizzy spells were frequent. The kidney secretions would break my rest several times in the night. Doan's Pills is what I needed for after taking them I felt fine."

Religious Talks.

(By A Bible Student.)

The Devil was a murderer and a liar from the beginning, and the truth abode not in him. He is the father of liars. The Bible tells us men perish like brute beasts and "like sheep are laid in the grave." Eccl. 3:19 20, (Psa., 49:14). From cover to cover the Bible holds out only one hope, namely, "all that are in the graves shall hear the voice of the Son of Man, and they shall come forth". And as in Acts 24:45 says, "there shall be a resurrection of the dead, both of the just and unjust. Think for a moment, the calamity that befell the race as a result of Adam's sin. All the suffering and death, the billions of funerals, hearses, graves and tombstones, the broken hearts and homes, the widows, orphans and cripples; the vices and crimes, wars and political and social scandals. The false doctrines and slander against God. The injustices, lies, persecutions, false imprisonments that men have perpejuated against their fellowmen, and now ask yourself the question. Would you like to be delivered from all these woes and would you like to have your fellowmen delivered from them? Would you like to see all the race living in peace one with the other in happiness and contentment and without sickness or disease or disease or death, and all have their new homes and be freed from the necessity of paying taxes to support wars, navies, armies, or militarism in any of its forms? would you like to see graft, fraud, and oppression come to an everlasting end? Would that be 'good news' 'glad tidings' to you. That is what is meant by the word gospel It means God has appointed a time when just such blessing shall come to pass, and it means every human being will have a share in it, if he will accept it. It teaches also that all who refuse in that day will die the second death. The second death means to die the second time, the first death is the Adamic death, the second death means, after resurrected and given a full chance in the kingdom ruled by 'The Christ' (The iron rule kingdom), will then die without hope of any further resurrection, everlasting health, everlasting destruction, eternally dead.

During that period of time God purposes to give to all the race three different things, namely, an opportunity to be fully delivered from the power and deceptions of Satan; an accurate knowledge of the truth and, an offer of eternal life on condition of obedience to his law. (Tim. 2:3-4) says, "God will have all men be saved and come unto the knowledge of the truth". This period of time is called 'the day of Christ' when Christ shall take his power and bind Satan for 1000 years. The scriptures show that the heavens, (heaven's means ecclesiastical powers in this instance) have been defiled by Satan the enemy and that he 'Satan should be ousted from heaven, cast upon the earth and when that takes place the earth would be a scene of battle.

Religious Talks.

(By A Bible Student.)

Scriptures say Woe to the inhabitants of the earth when Satan is cast down among". Never in the history of man was there such a time of peril and peril as now. Evidently, these are the days spoken of by the Apostle as "the last days" in which lawlessness holds sway and faithfulness among men is almost unkown. Because Satan has come down to the earth he is pushing the race over the brink into the abyss of crime and idolatry, having obtained control over the religious organizations, who having the form of godleness but denying the power of God and many in these organizations are persons who see no relief therein and are cryidg unto the Lord for help. Satans mighty organization aides arrogantly and tramples upon all rights of men. The nations are in perplexity, and the people in distress. Thus far the comfort of those who are wholly concecrated unto him, designated, "Sons of God", or the last living members of "His body" now on earth, who are willing to sacrifice even unto death suffer reproach, and all manner of evil, from the enemy and who are laying down their lives in His service. To bring this glad 'good news' the 'good message', the 'gosple', and 'the truth', to those who are hungering for light, joy, and peace, which shall be to all people. Which causes the enemy and his organization to persecute (those who are showing God's purposes.) Jesus said you will be hated of all men for any namesake. Also he said, "Blessed are you when men shall revile you and say all manner of evil against you falsely", Jesus never perssecuted any one, but taught his people to love their enemies and do good to those that hated them. But, "Rejoice because your names are written in the lambs book of life, not in some denominational books, and Paul says, "That there be no division among you and ye all speak the same thing, be perfectly joined together in the same mind and in the judgment." Where there is envy, strife and divisions that are carnal. Is Christ divided?, how can his body be? Those who claim that Jesus is the 'head' of the confusion, wranghing, which are clinging to, and fighting for their peculiar creed have no conception of the true church. The Bible states that there is only one church one faith, one spirit and one baptism. One that forms sects and denominations are out of accord with the Bible, and will come to an end, and creeds and sectarian differences and divisions among chrisrians have brought the Bible into disrepute, and will be brought to an end under the new rule and order. All these are brought about by the adversay of God, and through human weaknesses, what are human weaknesses? Human weaknesses are a legacy from father Adam, who lost perfection of being, and by law of heredity, passed his imperfections on to posterity, and as time passed on greatir weakness was intensified and added sins along different lines.

LYLE COPPLE

FOR SHERIFF

U. G. Austin, of Walthill Neb., Republican candidate for sheriff, of Thurston county, earnestly solicits your support and vote, at the Primary Election, Tuesday, August 12, 1930.

U. G. AUSTIN

As We Grow Older

We Should Keep Careful Watch of our Kidneys.

KIDNEY disorders are too serious to ignore. It pays to heed the early signals. Scanty, burning or too frequent kidney excretions; a drowsy, listless feeling; lameness, stiffness and constant backache are timely warnings.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Used and recommended the world over. Sold by good dealers everywhere.

50,000 Users Endorse Doan's:

Mrs. Alica Gunnis, 3440 Harrison Ave., Detroit, Mich., says: "I suffered with a dull ache across my back that bothered me a great deal when I was doing my housework. When stooping, my back pained so that it was a task to straighten up again. My kidneys acted very irregularly, but after taking Doan's Pills I felt fine again and the backache left me. I gladly recommend Doan's."

Edgar Howard

FOR REPRESENTATIVE

Mr, Howard has given this District its best Representation in 25 years and should be retained by all means.

A Senator For Nebraska as well as a Senator From Nebraska

The election of W. M. Stebbins to the United States Senate means the services of a senator whose first interest will be Nebraska and her people. He will be willing to counsel with his constitutents and work in harmony with his fellow representatives, and act on the Lincoln theory that "everybody knows more than anybody."

Agriculture being the paramount industry in Nebraska, Mr. Stebbins pledges himself to the support of all policies calculated to bring permanent prosperity to agriculture and place it on a parity with manufacturing industry.

STEBBINS FOR SENATOR

The election of W. M. Stebbins means the services of a progressive republican who believes in party as well as individual responsibility, who opposes socialism in whatever guise it presents itself, and who will represent the best thought of Nebraska's enlightened citizenship.

Religious Talks.

(By A Bible Student.)

Some are weak along one line, and some along another, some are selfish, some ambitious, wilful, jealous, envious, others proud. Some wanted to be petted, some some to be flattered, and others to be praised. Some love wealth, others fame, and others power over their fellow men, some like to boast, and others oppress, some prudish, some dudish, and other conceited, some have cruel wicked and merciless disposition. Some want to make a display or do some stunt, some love love to revel in the mysterious which can not be understood, All these are human weaknesses and everybody has one or more of them. Some love to be pious, to attract attention, others love noise and shouting, some love costly robes, to display themselves in. The Devil tries to suit every body, just to keep them from learning the truth, God's word. and away from the grand hope set fourth in the Bible, so that with all the different creeds and beliefs the Bible seems to contradict itself and many turn from it, and few have confidence in it, just as Satan desires. Blaming the Bible for all the confusion, where as the Devil is the author of confusion. The prince of darkness means untruth, error, ignorance, superstition, mysterious, bigotry, and prejudice. God is light, and light mans truth, knowledge, reason, and consequently satisfaction and happiness. The more creeds the greater blindness anp confusion, instead of uniting the people in the bonds of love, and fellowship, creeds serve the very opposite purpose. They divide the people into factions, tend to wrangling and cause bitter heart aches; thus belittle, mock, and misrepresent God. But soon the Devil will be laid, hold on and bound the 1000 years, and during that time all will have learned their needed lesson, and if obedient will leave forever. What a contrast to what we see on every hand today. One of the most common past past times is speaking ill of ones neighbors, Satans favorite weapon, bearing false witness, injuring ones reputation, business, good name, speaking evil things, slandering, busy bodying, or minding everybodys business more than their own, which is murder in a sense of the word. For a christian to engage thus against a fellow christian would be hatred, and whosoever hateth his brother is a murderer. To kill with the tongue is a great curse, speak not evil one of another, brethren, by thy words thy shalt be justified, and by thy words, thou shalt be condemned. Secret slander is so much worse because it is the sin of cowardice and added to the sin of murder. The adversary counts on the tongues as one of his chief weapons. But the scriptures teach quite to the contrary of such things, especially more so by those who are teachers and examples of the flock they are ledding. When Jesus was a teacher on earth we find he had nothing to do with the ruling powers either religious or political.

(To be continued.)

FINDS STATE BANKS WELL SUPERVISED

Bankers Body Sees Less Politics in Banking Departments With Better Facilities in the Hands of the Responsible Officials.

A survey of state banking departments by the State Bank Division, American Bankers Association, discloses a distinct tendency the past five years to take bank supervision out of politics, to increase the discretionary powers of bank commissioners, to lengthen their terms of office, to supply them with adequate forces of qualified examiners and to relieve banking departments of duties foreign to banking, says a recent statement issued by the association.

"We have consistently urged that the office of bank commissioner be as free from partisan politics as the judiciary itself and that it be divorced from all other functions of state government," the statement says. "Further, that his term of office be made more secure and lasting, with sufficient salary and power granted to attract and retain the services of men of outstanding executive ability, courage, resourcefulness and successful banking experience.

"Five years ago the first survey of state banking departments by the division demonstrated the need for improvements. On the basis of data now in hand it is evident that, through the revision of statutes in many states, rapid steps are being taken in the right direction. One by one the states are coming to recognize the primary importance of strong, competent banking departments. The demand for increasing the effectiveness of banking departments is beginning to be met."

How Bank Commissioners Are Chosen

The office of bank commissioner is now operated as an independent department of state government in thirty-four states, the bankers find. In two states the bank commissioner is elected at general elections; in one he is appointed from eligible lists of the civil service and in another he is selected by the banks. In one state the bankers' association elects a list of five names from which the governor appoints one as superintendent of banks; in another he is appointed by the State Corporation Commission and in another by the State Banking Board.

"Terms of office of bank commissioners have been lengthened in several states during the last five years," the report says. "In 28 states the term is four years, in one, five years, and in three it is six years and in some the term is indefinite. A short term is condemned on the grounds that the commissioner has insufficient time to become thoroughly conversant with his field work. A longer term permits his rendering useful service through capitalizing his experience. Five years ago the average length of service was less than three years, while now it has risen to five years.

Higher Standards Required

"Signs of an awakening to the necessity of making successful banking experience a qualification for bank commissioner are evident. While eleven states report no banking experience necessary, the majority require experience of this sort, ranging from two to five years. Twelve states now have banking boards, with powers ranging from acting in an advisory capacity to full power over all state banks to issue and reject charters.

"A healthy sign is the number of reports which disclose that the commissioners have full power to appoint bank examiners or that these appointments are made from civil service lists. This power is now granted to the commissioner by twenty-seven states. Three require that selection be from civil service lists. Complaints are still made in a few states of political pressure in the appointment of examiners, but the contrary seems to be true in a growing number of states. The most capable commissioner cannot successfully perform his duties unless he is able to command the services of efficient, honest examiners. The safety of depositors is dependent on their work, and their appointment, fitness and compensation are highly important. The number of examiners has increased 25 per cent in the last five years."

BANKERS TO HOLD GREAT CONVENTION

Cleveland, Ohio, has been designated for the 1930 annual convention of the American Bankers Association. This organization, which numbers about 20,000 banks with $65,000,000,000 in assets, is annually the nation's most important, financial event. The attendance ranges between five and ten thousand.

Cleveland is especially significant in the history of the Association's educational traditions since it was in this city, when the organization last met there in the year 1899, that the original resolution was presented looking to the formation of an educational section. This subsequently resulted in the American Institute of Banking in which are now enrolled 35,000 bank men and women engaged in the study of the technical and scientific phases of the business.

Religious Talks.

(By A Bible Student.)

Neither did Paul, nor any of the early church that was serving the flock of God. It would be impossible to serve at two tables. One cannot serve two masters The political world is under Satans control, and will be until Christ takes his power and begins his reign. As spoken of in Dan. 2:42. Speaking of the kings ruling under Satans power we read, "and in the days of these kings shall the God of heaven set up a kingdom which shall never be destroyed; and the kingdom shall not be left to other people but it shall break in pieces and consume all these kingdoms, and it shall stand forever", and in Dan. 7:18-10 we find the words, "One like the son of man came with the cloud of heaven and came to the Ancient of days. And there was given him dominions and glory and a kingdom, that all people, nations and languages, should serve him, his dominion is an everlasting, which shall not be destroyed. It says that he came and it shall break in pieces all other kingdoms, which are ruled by men on earth, which provss it means an earthly kingdom which shall stand forever, which also says, "Thousands, ministered unto him, and ten thousand times ten thousand stood before him, and he beheld till the beast was slain, and his body destroyed, and given to the burning." Rev. speak of the beast being cast into the lake of fire. (Beast means governments ruling the people) the political powers.

False Prophets as spoken of in Rev. means, Eccleastical powers ruling the people, which power shall also be cast into the lake of fire but they will be taught in this everlasting kingdom or Government that shall be ruling as taught also in Dan. 7: 25-27. Verse 27 says "and the kingdom and dominion and the greatness of the kingdom under the whole heaven, shall be given to people of the Saints of the Most High, whose kingdom is an everlasting kingdom, and all dominion shall serve and obey him. No wonder the false prophet is to be cast into the lake of fire It does not say false prophets, but false prophet, meaning the head, or power, controling or ruled by Satan, any part of his false doctrines, which he has succeeded in blinding all the world and holding them fast until Christ takes his power and reigns. Thus tee meaning of 'end of the world' does not mean that the earth or planet on which we live is to be burnt up by literal fire, as is often taught, bnt the end of Satans world, that has existed since the fall of man, shall be burnt up, not literally, but symbolic. Five of destruction, such as wars, jealousies' strife. nashing of teeth (much existing right now), bitterness, wrath, destroying eace other by nashing at each other, which will bring about the last great war, prior to the time, when, swords shall be turned into prunini hooks, and peoples stony hearts shall be made into hearts of flesh, and all eyes shall be opened to this new way, and new government wherein dwells righteousness. The message to those who are serving the Lord is, "Come out of her, my people, that ye be partakers' not of her sins, nor that ye receive none of plagues," "come out of her" means, the confusion of all the things ruled or controled by Satan, before the plagues overtakes one who is bound under his inflence. "Be ye separate, that bear the vessels of the Lord". And search diligently out of His word "His word is truth".

And in this day and age where all people are free to education and all the teaching along every line of thought. Sciences of all degrees, and kinds. All the explorations in the earth sea and sky (so far as vision is concerned) Why should people trust to the old teachers who taught and translated before the days of popular education, when people depended upon the few educated ones to teach the masses? Before Bibles were popular as today and in almost every home, or should be. Why should one be critisyed for studying and learning and searching for the light of the Bible as well as any to all other books and literature; and be condemned and critisized for talking or telling about, when it is such a grand outcome and blessing to human race which every one would rejoice and be so glad if the old and devilish doctrines were proved to be untrue. Rather are people mocked, jeered, accused, and persecuted for telling the trute. Jesus was Himself dealt with in every imaginable form of hatred by all except those who believed in him and loved him. Even some of His oun family turned against Him and thought Him crazy, and were ashrmed of him which as told in John 7:5 "For even His own brothers were not believers in Him" He was accused of being possessed of a demon. He was bastard, a wine drinker, a Sabbath breaker, a friend of sinners, and a multitude of evil things spoken against Him All because the God of this world ruled the hearts and minds of the people, even the most religious of them were controlled and ane blindly led by Satan. Just as the Apostle states that it shall be ih the last days, people will be heady, high minded, even denying the Lord that brought them, and saying, "where is the sign of his coming, things remain as they were since the beginning of creation". But come he will and the evil things will pass away with a great fuss, and then comes the new order with all its new blessihgs and grandness, and how people will be ashamed for all their unbelief and evil speaking, and happiness, joy and peace shall fill the earth, in place of sorrow and death. Death is the last enemy to be destroyed and then all things will be new and old things passed away. When the people who obey will love their neighbors as themselves, help and not hinder, love and not persecute, also each one will 'sit nnder his own vine and fig tree and none shall afraid.' no landlord, no taxes, no oppessors of any kind and the earth shall yield forth her increase, and 'the windows of heaven shall be opened and such blessihgs poured forth that the earth shall be full. The lion and cow shall eat straw strrw together and nothing shall be hurt or destroyed in all my holy kingdom, saith the Lord of hosts, or multitude, Lord of multitudes, and multitudes of happy' contended and lovng people. Then and then only could God's perfect law as laid down by Moses the Isralites, be kept, and kept perfect by a perfect nace of people.

People say, "Then what is the use of churches or people trying to live right; if such things are true, why not every body do as they please if tney are to have a second chance? Satan has overreached the people and made them believe the churches must convert the world first before Jesus comes; must make a fit place for Him first, a serious mistake is made in teaching this, and very contrary to the world as the Bible records. For it says plainly 'He must rule and reign until all things are put under tis control. In the beginning of His rule and reign, and in the resurrection of the just and unjust every one will be rewarded accordiug to the works done in the flesh. Those who have done right will nekd no stripes, those who have done part right and part wrong will need some stripes, and those who have done evil will need many stripes, and have a much harder time to get back into full harmony with God's perfect lrw, and those who persist in doing evil will be chastised and helped in every possible way to return and get away from their evil course they followed in this life until they have a fair and a trial nnder Christ's kingdom rule. But if they persist in their evil course, they will die forever. The dead rise just in the same mind as they went into the grave, but come forth to a far different condition of thingf than they left, and only good influences will be around them.

so those who have done goodwill get into the highway of holiness without any trouble because they have been good and obediant in this life, so it pays to be good, whether in a church organization or out of it. The Bible shows many outside will get into the new kingdom before those inside of churches, because they will see and learn quicker and progress faster. Those will be used in the work to bring the earth into an Edenic condition.

(By A Bible Student.)

But in that day he who slandereth his neighbor, shall be cut off, the proud or any that work deceit shall not dwell in my house And he that tells lies shall not stay in his sight for he shall destroy all the wiked of the land. And all evil doers shall be cut off not tormented. The wicked shall be consumed out of the land and shall be no more. Since the tragedy of Eden, Satan has been and now is that wicked prince that has persisted in going contrary to God's law. He is scriptually called "the prince of the world". The prince of devils, which means the chief among the wicked ones. Also the prince of the power of the air. Eph. 2:2, which would seem to mean that he possesses and exercises power that is invisible to man. A prince is one who has the authority and power to govern or rule. He was made so by Jehovah Ezek 28: 13,15, and in Heb 2:14 we read he was given the power of death. He "was perfect until iniquity was found in him, until he departed from Gods law and took a lawless course, and scripture does not show that God deprived him of the power to inflict death. And there is no reason to believe that he has yet been deprived of that power, if such be the case he is called, by Paul, "the prince of the air". He would have the power to generate storms, hurricanes, floods and things to bring calamities on the people. When Jesus was on the sea of Galilee with his disciples without doubt it was Satan the prince of the power of the air that brought up a ssorm in an effort to destroy the Master. It would not have been Jehovah that brought the storm which put in jeopardy the lives of his chosen men. And as Satan had made repeated attempted to destroy the Lord Jesus, he must have been responsible for the storm that destroyed the children and the property of Job and in Job 2;6, Gods commandments that he, Satan should not kill Job. Many have been the calamities that have befallen the people from time to time, such as storms, floods fires, cyclones, and the like, which would be no reason for God to bring such disasters upon the people. While God overthrew Israel, his typical people, there is no evidence that he has bro't or been responsible for the calamities that have befallen the people of the earth. He abids his own good time to bring the great battle which will completely and forever vindicate his name. But what would be the purpose of Satan in bringing calamities upon the people, without doubt he would charge God for doing so and cause the people to curse God and turn man away from God, knowing there has been instilled in the mind of men that storms and floods are acts of God and to bring reproach upon his holy name. The nations of the world have put it into their laws, by implicating, at least that Jehovah God is responsible for the disasters that befall the human race. It is the devil, himself that is responsible for such calamities, for Jesus' own statement is that at the conclusion of the preaching of this gospel of the kingdom God will then bring a great calamity upon the earth and people thereof for the vindication of his name. The wicked creature is one who has been first enlightened and who turns away from righteousness. Lucifer was an officer of great light and power, he knew God and knew his law, and deliberately rebelled and became the wicked one. He is the chief ruler of the darkness of this world, Eph. 6:12. He brings great evils on the people and causes them great sufferings and all such evils are wrong and therefore wicked and has caused just reproach upon the name of Jehovah. For centuries crime has not run on the earth, and the record of every nation is smeared with human blood unrighteously shed, for all of which Satan is responsible. He has caused the persecution and death of many people and has used proffessed followers of Christ to commit such crimes. He has enveigled the proffessed Christian people of America to enact the so called prohibition law and to attempt to enforce this law, many innocent people have been deliberately murderd under the pretext of upholding this so called moral law, and many insist that this really the law of God, and by this means Satan has brought the name of Jehovah into reproach and turned many men and women away from the great eternal God. But the time has come for all people to have a proper understanding of evil, wrong doing and wickedness, while wickedness, while wickedness is increasing in the world, although some continue to say the world is growing better. The world has not yet learned valuable lessons by reason of evil. The Christians have not learned any valuable lessons by reason of evil, and none is justified in employing evil to render judgement. Only when God's "perfect law is abroad in the land will people be judged righteously, or during judgement day, the thousand year day, which will be the end of the present evil world, the end of Satan's rule. The last days, in which all evil will be overthrown and a perfect government be ushered in. The bible has much to say of the last days, which will be intense trouble on the earth because the people do not understand that it is for their everlasting good and doubts and fears and perplexities will fill their heart because of the things that are upon the earth and coming to pass and instead of the world becoming converted, wickedness, violence, crime oppression and lawlessness will especially prevail, in the time when these evils prevail more and more the Lord will use those who understand the situation and its outcome to explain to others just what it means and comfort those in perplexity and help them get in harmony with God and get his blessing.

But how do we know we are in these last days? In 2nd Tim. 3:1-5 we read: "This know also, that in the last days perilous times shall come, for men will be lovers of their own selves, covetous, boasters, proud, blasphemers, disobedient to parents, unthankful, truce breakers false accusers, fierce, dispisers of those that are good, traitors, heady, highminder, lovers of self more than lovers of God, having a form of godliness, but denying the power thereof." Paul could not explain conditions any better if he were living in our day, as they are now existing. Considering the last days, many teach it to mean the earth to be destroyed by fire, that is be no more. But the Bible speaks quite to the contrary. The word destroyed by fire is symbolic fire, just as the word the "world" that was destroyed by the flood in Noah's day. The same earth exists that was made from the beginning only the people of Noah's day were destroyed because of wickedness and the same earth is to remain forever, only a new order is to exist or become "a new earth." In Psal. 15:16 we read: "The heavens are the Lord's, but the earth He hath given to the children of men." If God created the earth to be inhabited by men, why should He destroy it? For Scripture says thus: "One generation passeth away and another generation cometh, but the earth abideth forever." In Psa. 45:18 we read: "God himself formed the earth, He hath established it, He created it not in vain, He formed it to be inhabited." Thus we see the earth is to abide forever and be inhabited by man. And Jesus taught his disciples to pray for God's will to be done on earth as it is in heaven.

RADICAL CHANGES TRANSFORM BANKING

National Commission Sees Changing Opinion on Branch Banking Issue—Studies Group and Chain Banks.

NEW YORK.—Modification of the attitude of bankers on the long disputed branch banking question is forecast in a review and report covering rapid changes going on in banking issued here by the Economic Policy Commission of the American Bankers Association. The report, however, after referring to recent proposals that national banks be given branch banking powers within the business territory surrounding their location, declares that "we do not believe that so-called 'trade-area' branch banking is likely to gain the support of any large percentage of the banking fraternity."

The commission says that the "most important development that has affected American banking in recent years involves the rapid growth of multiple banking organizations in the form of group, chain and branch banking systems," and adds that "we present this report as an unprejudiced economic study and have no theories or policies to urge at this time." The statement says that the commission's information indicates there are now 269 group or chain bank systems, which control 1922 banks and $15,285,000,000 in aggregate resources, and that there are only six states and the District of Columbia where it does not find any group organizations.

The Commission's Investigation

"We have been in touch with the managers of many important bank groups," the report says. "Aside from the obvious economies of centralized operation and control a number of these organization heads very frankly tell us that they do not feel that the system has been in operation and tested long enough to justify them in making positive or sweeping statements as to its advantages or disadvantages compared to unit banking.

"The Banking and Currency Committee of the House, which is conducting an investigation into banking developments, has called a number of operating heads of some of the great group systems. These men declared that they found, under certain conditions, definite operating and economic advantage in both group and branch banking over independent unit banking. Some thought group banking was only a transitional stage, that branch banking was preferable and if it were permitted on an extensive enough scale they would change their groups over to branch systems. Others held that group banking was preferable.

"Some held that the ideal plan was a combination of the two with group bank units for localities strong enough to support complete banking institutions and with branch offices extending further into the smaller places requiring banking services but not large enough to support complete banks. Several of those who advocated multiple banking declared that nevertheless they believed there would always be room for vigorous independent unit bank competitors.

Government Officials Express Views

"The Comptroller of the Currency recommended that national banks be given branch banking powers within 'trade-areas.' The Governor of the Federal Reserve Board appeared to be in general agreement with the Comptroller. He said there were 24,645 banks and 3,547 branches, a total of 28,192 banking offices; that in this total, 6,353 offices were either branches or bank members of groups, or both, leaving 21,839 banking institutions that might be definitely termed independent unit banks, having no branches and in no way connected with group affiliations. He said all the banks had total loans and investments of $58,500,000,000, of which the group and branch systems held $30,000,000,000, or more than half.

"He opposed nation-wide branch banking at present but said that ultimately if bankers became trained and experienced in the larger technique of 'trade-area' banking he thought it would in time evolve nation-wide branch banking under control of relatively few banks, but he did not believe this would mean monopoly or lack of competition. He favored branch over group banking which, however, he said represented an economic development along 'trade-area' lines and would spread unless something else were substituted and thought 'trade-area' branch banking would serve this purpose.

"It is the intention of the Commission to develop its own studies in these questions, watch carefully every move that is made and every bit of information that may develop in this connection and keep itself prepared to give an unbiased and accurate statement of the facts of the case whenever that is desired," the report concludes.

Federal Reserve Pays Government

In the fifteen years since its establishment in 1914, aggregate net earnings of the Federal Reserve System's twelve regional banks have amounted to $515,216,000, of which $90,672,000 has been paid to the member banks as dividends, representing 6 per cent annually on their contributions of capital to the reserve banks, while $277,434,000 has been added to the surplus of the reserve banks and $147,110,000 has been paid over to the Federal Government as a franchise tax.

HELPING YOUNG FOLK TO BECOME BANKERS

Through the American Institute of Banking, which is the American Bankers Association's educational section, the banking profession is educating 35,000 bank men and women in the technical and scientific departments of their work. These students are enabled by this institute, which is entirely non-commercial in its operations, to obtain a grasp of the finer points of banking without interrupting their employment or interfering with their earnings, in their bank jobs.

The courses given, including banking economics and law and bank administration in all the departments, have been worked out under the direction of senior college educators and the lectures are always given by practical men, such as lawyers in the legal courses, experts in banking operations and college professors in the economics courses. There are chapters with meeting rooms in over 200 cities and also a number of smaller study groups are fostered with correspondence aid.

It has been said that the A. I. B., as it is familiarly known throughout the banking field, is the greatest adult educational organization in the world and is supplying the banking business with the largest supply of trained workers each year that any comparable line of business is receiving. The organization holds an annual convention attended by hundreds of young bank workers as well as senior bank officers actively interested in furthering the institute's educational work, at which numerous technical subjects of practical banking application are presented and discussed. This year's convention will be held at Denver, Colorado, June 16 to 20.

Religious Talks.

(By A Bible Student.)

If the earth was to be destroyed, Jesus certainly would not have taught such a prayer, and also the bible tells us that every knee shall bow, both of things on earth and things in heaven, and also that the righteous shall inherit the land and dwell therein forevermore. Instead it is to be a beautiful dwelling place of a happy, sinless and perfect race of human beings. When Adam was created he was commissioned to fill the earth with his posterity, the commission was, be fruitful and multiply, and replenish the earth, and subdue it, and have dominion over every living creature. No record is given that Adam was ever to go to heaven, for 6000 years, Satan has not been hindered from deceiving the people until God's due time arrives for his complete overthrow. And the new world or the "one thousand year reign begins, also called the "day of Christ", the Judgement day and the day of salvation". When the race will be delivered from the wicked reign and power of Satan. Which the first part of the thousand year reign be to destroy Satan's evil organization. Which is composed of the evil man made organizations of the earth which will mean much trouble in the earth because both Satan and selfish men will not yield without a struggle. The last day means the last day of Satan's reign, the last days of graft, fraud, corruption, hypocracy, autocracy, profiteering, selfishness, and wars, the last days of Satan reign are also the first days of Christs reign, thus we can see a time of trouble will be as recorded in Dan. 12:1. Rev. 11:17,18. Many texts in both old and new testament refer to this battle and destruction of Satan's power, symbolic pictures of fire and brimstone hot enough to destroy Satan's organization.

It might be ask, what is God's work after Satan is bound and his empire ended and Jesus Christ will be King over all the earth in that day, no power opposing him or his kingdom work. His work will be to "bless all the families of the earth", clothed with "all power in heaven and in earth", and do the work all prophets have foretold concerning him. In Jer. we read, "after those days, I will put my law in their inward parts and write it in their hearts, and I shall be their God and they shall be my people". All shall know me from the least to the greatest, I will forgive their iniquity and remember their sin no more". All will be educated to know the truth, the whole truth and nothing but the truth. This is a stupendeous work, and Jehovah God has given His Son a thousand years to accomplish it, for 1 Tim 2: 3,4 says, "God will have all men to be saved and some to a knowledge of the truth". A great school indeed and a great teacher with approximately twenty billion pupils in that great school. All people who died before Jesus came to the earth nineteen hundred years ago, all the infants, all the heathens will come forth from the tomb, and learn for the first time of the only name given under heaven and among men whe eby they can be saved Acts 4: 12. This is why a resurrection is necessary and why Satan is to be bound the thousand years, so nothing can hinder in this great work of education, reconstruction, uplift and blessing. Yet scripture reveals there will be some,(designated goats) in the scripture. that will be stubborn, wilful and perverse, who will go into second death, everlasting destruction. Therefore all the wicked and willful are destroyed after the thousand years are accomplished.

The righteous shall inherit the land and dwell therein forevermore. Psa. 37:29. Isa. 60:21 says, "All thy people shall be righteous, they shall inherit the land and dwell therein forever more". The inhabitants shall not say I am sick, and there shall be no more death, neither sorrow or crying, no more pain, all tears shall be wiped from their eyes, for the former things are passed away. No more wars and knowledge shall fill the earth like as the waters cover the sea, and every knee bow and every tongue confess to Jehovah God, who that loves righteousness can object to having Satan's organization exposed, or who could object to having a new government, (Christ kingdom) take control of the earths affairs.

In Matt. 24:3 is asked for the sign and end of the world verse 7 answers, "nation shall rise against nation, and kingdom against kingdom", "and there shall be fire, pestilences, famines, and earthquakes in divers places, Following the world war there has been seen the worst famines, pestilences and earthquakes ever in earths history. Jesus told them these would be "signs" or evidences of the people would be unaware of the fact that we would be in the last days just as the people were unawares of the flood in Noah's day, even though Noah warned them for many years. The people were so busily marrying, building, eating, drinking and planting that they refused to believe his message.

And Jesus said just such conditions would prevail in the last days. Another sign is mentioned in James 5:3,6, namely, the stupendeous accumulation of wealth in the last days. He says; Go to now, ye rich men, weep and howl for miseries that shall come upon you. You yave reaped treasures together for the last last days. We all know how the wealth of the world is centralizing into the hands of a few, but we read, (5chap 4 verse) not all would be living in darkness, that (that day) should come upon them unawares. And this gospel of the kingdom shall be preached in all the nations as a witness.

(To be continued.)

Wages Up, Costs Down.

Fremont Tribune: Workers in the building trades enjoy, on the average, very high wages. Very often people who complain of high building costs blame these wages, and assert that everything would be lovely if only the wages could be materially reduced. A recent bulletin from the Austin Company of Clevelsnd, one of the largest industrial construction firms in the country, does not seem to agree with this thesis, however.

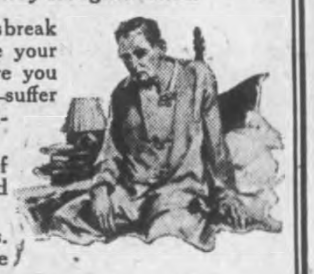
The Austin company reports that industrial building costs today are the lowest in eight years. Except for a period in 1922 they have not been so low since 1916. The bulletin remarks:

"All of the decline is due largely to falling prices of materials and greater efficiency of labor and construction equipment. Wage rates at 185 percent over the 1913 level continue at the peak for all time. while all building costs, including labor, are less than 40 per cent over 1913 "

Which would seem to be a pretty fair answer to the attempt to blame union labor for high construction prices.

Tired Days — Restless Nights

Result from Kidney Irregularities.



DO kidney irregularities break your rest and make your daytimes miserable? Are you always tired and drowsy—suffer nagging backache, headache and dizzy spells?

These are often signs of disordered kidneys and shouldn't be neglected.

Heed the early warnings. Don't let kidney trouble get a firm hold.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Users everywhere endorse *Doan's*.

50,000 Users Endorse Doan's:

RESERVE SYSTEM'S DIVIDENDS ANALYZED

Bankers Find Increased Payments to Member Banks Would Be Small Inducement.

Various proposals that member banks in the Federal Reserve System should participate more largely in its net earnings through an increase in the dividend rate above the present fixed 6 per cent "would be a very small financial inducement" to them, it is declared in a recent study of this subject by the Economic Policy Commission of the American Bankers Association. This is shown, the commission says, by a theoretical forecast, on the basis of the past six years, of additional earnings that would be disbursed to member banks during the next six years under two plans introduced in bills before the United States Senate.

"The Fletcher bill provides that Federal Reserve Bank earnings, after present 6 per cent dividends to members and completion of a 100 per cent surplus, should all be distributed as extra dividends to the stockholder banks," the report says. "If the earnings of each Federal Reserve bank were distributed among its own members there would be no extra dividends in the Boston, New York, Philadelphia, Cleveland, Chicago and San Francisco districts during the next six years, but the other six Federal Reserve Banks would pay annual extras at the following rates: Richmond, 6.08 per cent; Atlanta, 4.09 per cent; St. Louis, 3.50 per cent; Minneapolis, 9.51 per cent; Kansas City, 5.48 per cent; Dallas, 4.83 per cent.

"If the earnings were pooled and paid out to all members in all districts each member would receive an average annual extra dividend of .78 per cent. Under this plan no franchise tax as now would be paid by the Federal Reserve Banks to the Federal Government.

Another Plan Analyzed

"The Glass bill would provide that, after present 6 per cent dividends, one-half the remainder should be paid to member banks as an extra dividend with the residue going to surplus and Federal Government as franchise tax. The average annual extras to members would be as follows: Boston District, 2.51 per cent; New York, .48 per cent; Philadelphia, 2.05 per cent; Cleveland, 2.09 per cent; Richmond, 3.26 per cent; Atlanta, 4.67 per cent; Chicago, 3.20 per cent; St. Louis, 2.02 per cent; Minneapolis, 4.75 per cent; Kansas City, 2.74 per cent; Dallas, 3.31 per cent; San Francisco, 1.87 per cent.

"If these extra funds were pooled the result would be an extra average annual dividend of 1.73 per cent for each member. Under this plan the system would still pay as now an annual franchise tax, amounting to $1,941,996 on the average."

By way of concrete instance, the report says, a member bank having capital and surplus of $200,000, therefore holding Federal Reserve Bank stock amounting to $6,000 on which it is receiving $360 under the present 6 per cent dividend arrangement, would with the addition of each 1 per cent to the dividend rate receive an additional income of $60 a year.

"If each member bank will figure out for itself the dollar-and-cents gain it would enjoy we are confident it will be agreed that the gains are small as against the economic disadvantages which can be pointed out," it concludes.

Religious Talks.

(By A Bible Student.)

And Jesus said just such conditions would prevail in the last days. Another sign is mentioned in James 5: 3-6, namely, the stupendous accumulation of wealth in "the last days". He says Go to now, ye rich men, weep and howl for miseries that shall come upon you, you have reaped treasures together for the last days. We all know how the wealth of the world is centralizing into the hands of a few, but in 1 Thes. we read (5 chap 4 verse) not all would be living in darkness that (that day) should come upon them unawares, he also told them saying, "and this gospel of the kingdom shall be preached in all the nations for a witness. He in answering the questions about the last days. The gospel of this kingdom shall be preached. The kingdom that shall be established in all the earth. Christ's kingdom! No indeed, most everything else has been preached, but no one ever preached about or told the people the glad message about this kingdom before the last days. After this is preached for a witness in all nations the end shall come. He said, all these things as wars, pestilences, etc, are the beginning of sorrows.

It was in 1914 that the nations became angry, that is, the destruction of Satan's wicked organization began then, and will continue until completed. And the new kingdom will be established and the great blessings will follow and continue forever to all who obey the laws of the kingdom.

This gospel of the kingdom shall be preached for a witness. This declaration is positive that the witness shall be given, who has he committed it too. The scripture shows us, His annointed must do this work. The annointed are those whom God calls and chooses and annoints which means that such a creature is called and placed on the Lords side, therefore must be entirely and completely devoted to God and his righteous cause. It is of the first importance then, that the called one, chosen and annointed understand what his commission commands him to do while on earth, and faithfully put forth his efforts to do that. A chosen generation, a royal priesthood, a pecular people, that ye should show show forth praises of him who hath called you out of darkness into his marvelous light. The people must turn from man's teaching and go direct to the bible itself as the guide in the path of sacred truth. Jesus said in his prayer to God, recorded in Jusa 17: 17. Thy word is truth, at that time the word consisted of 36 books of the old testament, and Jesus used those books as textbooks of truth to teach the people, since Jesus day what word includes the writings of Jesus followers who were inspired by God's spirit of truth and write the 27 books of the new testament. Therefore, whoever wants perfect and unerding life must study God's word and obey it for Jesus said, "This life is eternal, that they might know thee, the only true God and Jesus Christ whom thou hast sent, and if ye continue in my word, then ye are my disciples indeed And ye shall know the truth, and the truth shall make you free. It is error that makes fools ands slaves of men. The world today is a labyrinth of confusion Hundreds of religious and scientific theories lay claim to the truth, but the people know not what to choose. They continue in their mental darkness and die unsatisfied in the misery of uncertainty, the prophecy of long ago surely is true today, which says, "Darkness shall cover the earth and darkness the people. The people today are walking in hundreds of different paths. The bible is scoffed at, disbeleived and neglected and the words of mere men are aclaiming to be wise and is accepted as authority and guide. But there is only one true path of divine truth and that is the bible. If you desire to walk in the path of truth that leads to life, light and liberty. Ever since Adam turned from God, men have gropped in the path of darkness and death.

But now the time has come that we have reached the end, the end of the darksome invisible rule of Satan, pervertor of truth, the blinder and misleader of men. Daniel was told to shut up the words and seal the book even to the time of the end many shall run to and fro, and knowledge shall be increased, and none of the wicked shall understand, but the wise shall understand." The wise are those who turn to God's unfolding word of truth. The great truth now is the establishing of God's Kingdom over mankind. That kingdom now prepares to restrain Satan and to free men from his powerful, opsressive organization and to bring life and truth to our race. By that kingdom of His Son, God will lead all the teachable ones of the human family. the living and the dead, who shall be restored from the grave into the path path of truth unto eternal salvation so it is written, "God, will have all men to be saved and come to a knowledge of truth, for there is one God and one meditor between God and man, it is Jesus Christ, who gave himself as a ransom for all to be testified in due time. This great truth must be declared before the end comes, the end of Satan's rule, that the people may know the vengence of God against that organization and flee from, and know of God's great love for them that they may look forward to the kingdom that will relieve them of all the misery, sorrow and give life peace, prosperity and eternal happiness. The annointed must proclaim liberty to the captives and the opening of the prison to the bound ones. These must tell of the two organizations, Satan's and God's, and that it is God's purpose to destroy Satan's great wicked one. and establish God's righteous one over all the earth. This will bring the wrath and indignation against God's annointed by Satan and his agents.

Men are so perverse and stupid that it will require many evidences to convince them of the goodness of God before they are completely turn away from from Satan's rule, so while still blinded by Satan their indignation will increase against God's annointed, that the whole political, financial and religious organizations of earth will be on Satan's side which will bring the battle of that great day of God Almighty' men call it the battle of Armageddan.

(To be continued.)

Movie Talks.

Buster Keaton, whose inital talking comedy was the mirthful burlesque of Hollywood activities, "Free and Easy" again turns to travesty in his second dialogue production, "Dough Boys", which comes to the Owl Theatre, at Bancroft, beginning Sept., 28, 29, 30, Sunday, Monday and Tuesday.

Individuals, however, who have seen advance "shots" of the production are emphatic in their assurances that it is not lacking in the usual quota of laughs. A sequence in which it is said Keaton outdoes himself is that of a "dugout show" in which the soldiers impersonate women and the star executes a riotout "Apache" dance with acrobatic varstions. Added laughs are guaranteed by the appearance of Cliff Edwards and his inevitable ukulele who sings the production's song hit, "Sing," written by Howard Johnson and Joseph Meyer.

The romantic interest is furnished by Sally Eilers, last seen as the ingenue of "Let us be Gay," the cast also includes Edward Brophy, Victor Potel, Arnold Koriff, Frank Mayo. Pitzy Katz and William Steel. Also new comedy at the Owl Theatre.

Tired Days Restless Nights

Result from Kidney Irregularities.

Do kidney irregularities break your rest and make your daytimes miserable? Are you always tired and drowsy—suffer nagging backache, headache and dizzy spells?

These are often signs of disordered kidneys and shouldn't be neglected.

Heed the early warnings. Don't let kidney trouble get a firm hold.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Users everywhere endorse *Doan's*.

50,000 Users Endorse Doan's:

T. J. Concannon, 804 Thurman St., Portland, Ore., says: "Backaches bothered me and I was so lame and sore I could hardly move around. I was tired and dreggy. Headaches and dizzy spells were frequent. The kidney secretions would break my rest several times in the night. Doan's Pills is what I needed for after taking them I felt fine."

Religious Talks.

(By A Bible Student.)

This battle will destroy every evil and oppressive institution on earth and at its close Satan will be bound for 1000 years. The scriptures assure us Christ will win and Satan will lose, only will men be free from every form of bondage. Satan's organization or the empire could not exist at the same time that Christ would set up his kingdom. Hence, Satan's to be destroyed, he is well aware of the fact and for sometime has been preparing for the battle, organizing histories on the earth, bringing them together in a solid camp act body for he recognizes that in union there is strength. But God purposes to have one govenment under the whole fifty odd as there now is. It was Satan that divided the nations and government and thus introduced jealousies and selfishness and started wars. It was Satan that divided the people into about 200 religious camps, thus started religious bigotry and persecution, as well as hundreds of false doctrines about God and the bible, also he organized the oppression financial monopolies of earth which profits at the expense of the people, and their elements are to be destroyed in the great battle and giant mergers of big business, all of which are against the establishing of Christ's kingdom on earth and preserving Satan's kingdom intact. League of nations, federation of churches and giant mergers of big business, all of which are against the establishing of Christs kingdom on earth and preserving Satan's kingdom. The League of Nations is the last desperate effort of Satan to weld his kingdom into one collusive whole to thus preserve it from the King of Glory, who is now setting up his kingdom on earth. Scriptures foretell the League of Nation, its after failure and final destruction as one of the useless things that cumber the earth. The 2 Psalm gives us a fair warning verses, 1-12; or especially those who are aiding Satan in resisting the Lord in the establishing of his kingdom many unconsciously are doing so. Again in Isarah attention is called to divine foreknowledge in prophecy that the rulers of earth, politically, financially and religisns would league together to perpetuate Satans kingdom on earth and points out the complete failure of such leagues, read Isa. 8: 9-13 in verses 11-13 the Lord addresses his anointed on earth at the time these leagues and federalions are going on advising them not to have any part with or in them because they are not the Lord's plan, many are the warnings God has placed in his word, so that the honest hearted, noble minded people of earth would not be found fighting against God but very few people read the bible and still fewer believe it. Why is this so? The great religious leaders have brought reproach on the bible, people give no need to it and tell the people that it consists of allegories, old wives fables, and child stories, and people will go crazy who study it too much. And that it is an old fiddle on which any time can be played and many other ways, being the look into reproach and undermine confidence in it. But in Jer. 6:10-14 is another warning, also in 1 Thes 5:8. Paul adds, many warings are going out all over the earth by radio etc. The evidences are plain that Satan's kingdom is now falling and is falling and is making its last stand against the Lord whose kingdom is the supreme One. In Dan2:44 is given another warning, thus: "In the days of these kings (the kings of earth) shall the God of heaven set up a kingdom which shall never be destroyed; and the kingdom shall not be left to other people, but it shall break in prices and consume all the kingdom's and it shall stand forever. Now since the declaration was made by Jehovah more than 6000 years ago, or from the very beginning of mans sinful course. The seed of the woman shall bruise the serpent's head is a determined purpose by Jehovah to bring it to pass, and the final bruising has not yet taken place. Also Dan. was told to seal up the book (after his interpretation concerning the dreams of the king of Babylon) until the time of the end (of satan's rule by which time Christ's seed would all be gathered, tested and tried and ready for the execution of God's plan, time and way of bruising the serpent's head and establishing this kingdom under the whole heavens into which "all nations shall flow and every knee bow and every tongue confess and the whole earth be filled with the glory of God". Satan's rule and dominion was under the whole heavens from the fall of man (with the time for the exception of Abraham's seed) until the time of God's universal kingdom which is now assembling and in process of establishment which causes the conditions as we see them exist on the earth today. Satan's empire is a mighty, cruel and unjust one, which has been a scene of bloodshed from Abel down to the last great world war, and the people have been deceived and blinded and led by a taskmaster in every nation on earth. The majority of people hate war and desire peace. The question could be submitted to a vote of the people there would never be a war. Honest love is abiding and those who love justice a right to abhor war. A general once said "war is hell". The same opinion has been confirmed millions of times by those who participated in the recent world war. Besides the millions of dead and other millions of cruelly maimed. The great war taught people how to profiteer, lie, steal and smoke. It filled the world with millions of people who have no decency, law or the rights and liberties of others.

(To be continued.)

Movie Talks.

If you liked "The Cocoanuts" you will sure-enough like the "Let's Go Native." Its that kind of a frisky, frolicsome show.

"Let's Go Native" comes to the Owl Theatre in Bancroft, on Sun., Mon., and Tuesday, Oct. 5, 6, 7. It is the work of Geo. Marion, Jr., and Percy Heath, the witty gentleman who turned out that scintillating confection for Buddy Rogers—"Safety in Numbers." There are fivs very winsome tunes in the show, and there are 75 very winsome chorines. The names of the songs are "Joe Jazz," "I've Got a Yen For You," It Seems to be Spring, "Let's go Native" and "My mad Moment." The names of the chorines are—well it doesn't matter, they are all exceedingly joyous to look upon.

But best of all to recommend it to diversion-seekers is the cast list of "Let's Go Native." The stars are Jack Oakie and Jeanette MacDowell. In "Let's go Native" she's a plain American wow, which is even better than the parts she played in the first two pictures. Then there are Skeets Gallagher, Kay Francis, Eugene Pallette, William Austin, James Hall and David Newell. "Let's Go Native" is a great show.

Is Your Rest Disturbed?

Deal Promptly with Kidney Irregularities.

HEALTH suffers when sleep is disturbed by kidney irregularities. And too often it's a warning that shouldn't be ignored. If bothered with scanty or burning passages and getting up at night; if you have constant backache and feel stiff, achy and all worn-out; don't take chances. Help your kidneys before kidney trouble gets a firm hold.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Endorsed the world over.

50,000 Users Endorse Doan's:

John J. Doyle, 134 Main St., Keene, N. H., says: "I was stiff and achy and had sharp pains across the small of my back. Dizzy spells bothered me and at times spots and specks would blur my sight. The kidney secretions were frequent, breaking my rest several times in the night. Doan's Pills fixed me up in fine shape."

Religious Talks.

(By A Bible Student.)

It filled the worth with unmentionable crimes and diseases, so terrible were the results of that war that almost inhuman efforts have been made ever since to bring about a condition of world peace, but these efforts are made along wrong lines and by people who do not want peace. When conventions are held for that purpose, the delegates are always the militarists whose business is war, or the great industralists, who profit by the same. Peacefully inclined people are never chosen as delegates. The advice of the masses of the people, who furnish the soldiers and foot the bills is never sought. Thus, those who attend peace conference are controlled by selfish interests and furthur war preparations preparations are the usual outcome. The people have lost confidence in their leaders and have no hope from that quarter. The only hope held out to the poor, oppressed people is that peace lies only in preparedness, which means a competetion amorg the nations as to which can build the most battle ships, bombs, poison gas and other weapons of destruction. Thus the burden of taxes increase every year, also the number of boodlers and grafters. And into this great vortex of militarism the people are forced to cast their billions in taxes, with no other result than the grafters multiply scandals abound in high places and national fear and distrust increases. As a result a cry of protest is going up from the people. This is in form of labor organization, socialism, anarchy. In Luke 21: 25 26, Jesus uttered these prophetic words, "Upon the earth distress of nations, with perplexity. . . men's heart failing them for fear and looking after those things which are coming on the earth. The question arises, is deliverance from the present almost intolerable conditions of suffering and fear a possibility. If so, how and when? This question can be answered only from the bible, some are looking to their leaders for an answer. Some hoping against hope that preparedness will bring peace, others are hoping the whole world will vote socialists in power and these will reform the body polite, men can not bring peace about. Only the kingdom that will overthrow Satan's kingdom will bring about peace justice, truth, righteousness, happiness and contentment. All wars, oppression and unhappiness, belong to Satan's kingdom. Few people realize that Satan rules the world, these deceptions Satan began in Eden, first with Eve and laler with Adam, then after diverting them from God's service, he began to organize their posterity into selfish institutions for the very purpose to blind the people of Jehovah God. But what was God's purpose? When Satan led Adam into sin and brought the curse of sin and death on the race, God determined to deliver the race from the power of Satan and his deceptions, by and through His Son at the second coming of Jesus and during the 1000 year reign which would begin at this advent, which is called "The Kingdom of God", also referred to as the "Prince of Peace and Life", whose government shall be upon His shoulder and His name shall be called "Wonderful Councellor, The mighty God, The everlasting Father, of the increase of His government and peace there shall be no end". Nearly 19 hundred years ago when Jesus was on earth, Satan's representatives, who were the religous leaders of that day called him, "Beelzebub, the prince of the devils", these Pharisees were willing tools of Satan. Peace is coming through exalted Jesus. The Saviour of the and His 1000 years kingdom reign will be the desire of the nations. This kingdom is the only hope of the world Some of the texts are fonnd in Luke 23: 5 1; Cor 1: 7; 1Thes. 1:6 2Thes. 3: 5. Dan speaks of the blessedness of waiting. At that time Christ will be in power. as the great general of Jehovah, he will assume command of Jehovah's army and begin action against Satan, His forces will make an assault against the forces of Satan. That victory will mean the destruction of Satan's organization on earth, and Satan will be bound for a thousand years so he can deceive the nations no more till the thousand years are ended. It will mean the deliverance of the people from Satan and his oppressive institutions. It will end deception, fraud, hypocrisy and unrighteousness, that victory will witness the establishment of everlasting peace on earth and good will toward men. In no other way can peace be established, all human efforts will be futile. The reason is that selfishness governs their every effort and controls their every act. Jer. reads thus, "for from the least of them even unto the greatest of them, is given to coveteousness; and from the prophet even unto the priest everyone dealeth falsely. They have healed also the hurt of my people slightly saying peace, peace, when there is no peace.

(To be continued.)

Owl Theatre, Bancroft

The management of the Owl Theatre announces a rare treat for its patrons, on Sunday, Monday, Tuesday, Oct. 12 13-14.

Ruth Chatterton and Clive Brook will appear in another fascinating talkie, the story of the vagrancies of a misfit marriage, Brook is seen as the prosperous young lawyer, who indulges in a prolonged orgy after his wife divorces him to marry another man. One morning, after a night of insenate drunkenness, he wakes to find that has been married to Ruth Chatterton, an unrefined, tawdry, down-at-the-heels actress.

His friends forsake him after he "straightens out" and begins again his respectabl pursuit of business. Ruth sees him losing his prestige and decides that she will leave him for the sake of his standing in society. She goes away, although she loves him more than anything else in the world. Dramatic episodes ensue.

The very capable supporting cast includes Paul Lukas, Tom Patricola, Cecil Cunningham and Huntley Gordon.

There are various new ads in The Rip-Saw this week to which your attention is called. Read them!

As We Grow Older

We Should Keep Careful Watch of our Kidneys.

KIDNEY disorders are too serious to ignore. It pays to heed the early signals. Scanty, burning or too frequent kidney excretions; a drowsy, listless feeling; lameness, stiffness and constant backache are timely warnings.

To promote normal kidney action and assist your kidneys in cleansing your blood of poisonous wastes, use *Doan's Pills*. Used and recommended the world over. Sold by good dealers everywhere.

50,000 Users Endorse Doan's:

Mrs. Alice Gunnis, 3440 Harrison Ave., Detroit, Mich., says: "I suffered with a dull ache across my back that bothered me a great deal when I was doing my housework. When stooping, my back pained so that it was a task to straighten up again. My kidneys acted very irregularly, but after taking Doan's Pills I felt fine again and the backache left me. I gladly recommend Doan's."
